

# Walk-Up Appointment Directions

## COVID-19 Mass Vaccination Event at Bank of America Stadium

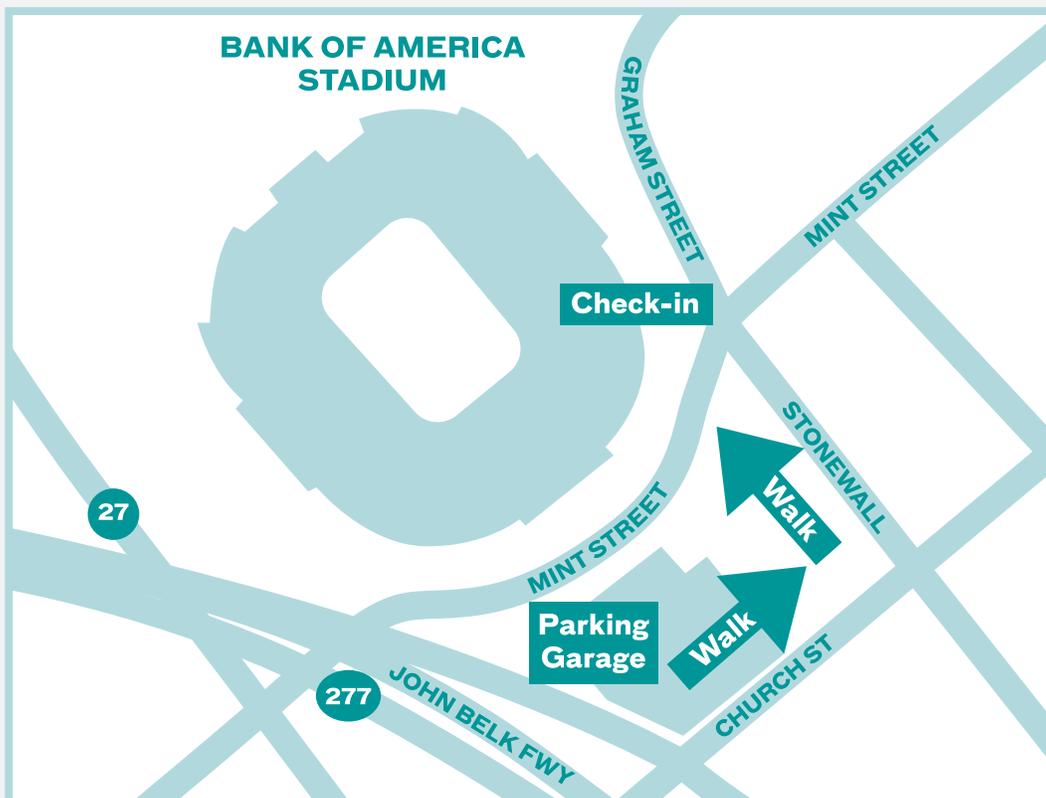

Atrium Health

Follow the directions below to get to your appointment.

### Parking directions

1. Park for free in the Legacy Union parking deck at 720 South Church Street. **Church Street is a one-way street.**
2. You'll get a special parking ticket at the entrance of the parking deck. Hold on to this ticket to show when you exit the parking deck after your vaccine. **No validation is needed.**
3. Use the parking deck elevators to get to the ground floor.
4. Follow the Panthers walkway to Stonewall Street. When you reach the end of the walkway, you will be on Stonewall Street. Take a left and follow the sidewalk toward Bank of America Stadium.
5. The check-in for vaccinations will be at the North Gate of Bank of America Stadium. There will be staff all along the pathway to this entrance available to assist you, answer any questions you may have, and ensure you are directed to the appropriate entrance.
6. You will enter the stadium concourse at this entrance. Once you enter the concourse, you will check in for your appointment and someone will be there to assist you in completing your screening form, your vaccination card, and will direct you to the vaccination area.
7. After you receive your vaccine, you will be asked to go to an observation area with seating where you will wait 15 or 30 minutes (vaccine staff will help determine your waiting period based on your medical history) before being invited to exit and return to your vehicle.
8. Once you leave the stadium concourse, you will again see staff along the path to return to the parking garage where you parked.

# Light Rail directions

1. Take the LYNX Blue Line to Stonewall Station.
2. Walk straight on Stonewall Street toward Bank of America Stadium.
3. The check-in for vaccinations will be at the North Gate of Bank of America Stadium. There will be staff all along the pathway to this entrance available to assist you, answer any questions you may have, and ensure you are directed to the appropriate entrance.
4. You will enter the stadium concourse at this entrance. Once you enter the concourse, you will check in for your appointment and someone will be there to assist you in completing your screening form, your vaccination card, and will direct you to the vaccination area.
5. After you receive your vaccine, you will be asked to go to an observation area with seating where you will wait 15 or 30 minutes (vaccine staff will help determine your waiting period based on your medical history) before being invited to exit the stadium.
6. Once you leave the stadium concourse, you will again see staff along the path to help you get back to the Stonewall Station.
