Atrium Health Women's Care Drive to Thrive is a mobile care unit that provides a range of women's care services in a warm, welcoming environment. Services include:

- Cervical cancer screening (Pap smear)
- Screening for urinary tract infections
- Screening and treatment for sexually transmitted infections
- Birth control (contraception), including same-day access to long-acting reversible contraceptives (LARCs), like intrauterine devices (IUDs)
- First-time prenatal visits, if not established with an OB/GYN
- Postpartum visits
- Ultrasounds
- Mammogram referrals
- Social worker on-site to help connect with other resources
