

# FELLOWSHIP ALUMNI NETWORK

ADVANCED PRACTICE PROVIDER FELLOWSHIP

VOLUME 2

## FAN FUN!

Thank you to all our alumni and specialty directors who joined us at Olde Mecklenburg Brewery for our kickoff networking event. We had a wonderful gathering and celebration of fellowship past and present showing how much we have grown.

Our current alumni network includes over **260 graduates!**

View our photos of the event below

## Welcome Cohort 11!

Congratulations to the Cohort 11 Graduates! We would like to welcome your involvement to the Fellowship Alumni Network. We are so proud to have such well-rounded providers positively representing our program locally and around the country.

Make sure to keep your information updated with us so we can inform you of alumni news, gatherings, education and events!

## Save the Date: FAN Serves

This upcoming season, we take pause to reflect on how fortunate we are and the importance of giving back to our community. The FAN will be arranging a service event at Second Harvest Food Bank of Metrolina to engage our alumni and investing in the physical needs of Charlotte.

When: February 1, 2020  
Time(s): 9am-12 pm OR 1-3pm

Where: Second Harvest Food Bank of Metrolina

Please RSVP below by including your name, the number of volunteers attending, and the time you would like to sign up for. Please note, spots are limited. You will receive a confirmation email with further information!

RSVP

## Fellowship Spotlight

**Brittany Macon** is a physician assistant (PA) at Atrium Health with the Inpatient Solid Tumor Consult Team. She completed her bachelor's degree in radiologic science with a minor in chemistry and mathematics at the University of North Carolina at Chapel Hill. Following graduation, she worked for 2 years in the UNC Mammography Department before deciding to pursue her dream of becoming a PA. Brittany attended Duke University's PA program from 2013 to 2015 and was awarded the Duke PA Student Scholarship.

## Call for FAN Leadership

The Fellowship Alumni Network will be accepting nominations through December for interested alumni to participate in FAN Leadership. This opportunity will allow you to engage formally in decision making and program evolution. There is no minimum amount of time required to volunteer and all communication will be conducted through email and conference calls. Positions available include:

- President
- Vice President
- Secretary of Communication
- Secretary of Membership
- Secretary of Education and Outreach
- Directors at Large

Interested parties should email [CAPFAN@atriumhealth.org](mailto:CAPFAN@atriumhealth.org) your name, a photo, position(s) you are interested in and a short paragraph summarizing your vision and ideas for alumni engagement. We hope you consider the potential impact of your involvement in FAN Leadership.

## CME Event: APP Symposium & Behavioral Health Bootcamp

**Join us November 14 – 15, 2019 for the annual APP Symposium and Behavioral Health Bootcamp!** Attend this event to participate in lively discussion on APP strategy, leadership and evolving practice models. Simultaneous Pediatric and Adult breakout sessions will cover both inpatient and outpatient practice innovations. Structured group discussions will enhance networking and collaboration between APPs, Physicians, and other healthcare professionals from various specialties and practice settings. Breakfast and Lunch provided.

1-day registration: \$165

2-day registration: \$225

## A Fond Farewell to Dr. Teigland

Our program has sustained and flourished because of the efforts of select physician leaders to support and advocate for our APP Fellowship. We want to recognize and appreciate those efforts from our Urology Medical Director Dr. Teigland as he transitions to other ventures. Dr. Teigland has been a visionary leader for our program inspiring its inception and guiding the urologic track to the clinical and educational excellence of its current state. Well done and thank you Dr. Teigland!

## Teammate Corner

*For alumni currently employed by Atrium Health, this section of the newsletter will include current system reminders*

Atrium Health combined the celebration of its Advanced Practice Providers into our first "APP Week" event. This year the festivities continued from October 21 – October 25 and included prizes, massages, sweet treats and swag with our motto of "Our APPs SHINE". We genuinely thank you for all you do.

We encourage you to participate and share your valued opinion in the Atrium Health Engagement Survey. As CAP APP Fellowship Alumni, if you remain engaged with our program, we look forward to your feedback. The survey remains open through 18th.

## We need your expertise!

We want to express our sincere appreciation for the alumni that have volunteered countless hours to supplement the educational of our current APP Fellows. Our hope is to promote a spirit of mentorship and are designing a formalized outlet for this soon! Our Fellows have thoroughly enjoyed seeing the fulfillment of the program translated to leadership in our system AND learning from your scholarly presentations.

We arrange high-quality specialty education throughout the year and would like to schedule your involvement.

To schedule a presentation please reach out to [Gianna.Sheck@atriumhealth.org](mailto:Gianna.Sheck@atriumhealth.org)

## Contact Us!

*If you would like to add your contact to our directory, send us your ideas for engagement or nominate our next fellow spotlight, please email us!*
