

Occupational Therapy Critical Care Fellowship

Atrium Health- CMC Main

Charlotte, NC

The Atrium Health Occupational Therapy Fellowship Program provides a world-class, post-professional clinical education experience in critical care at Atrium Health- Carolinas Medical Center (CMC) campus. CMC is the flagship hospital of Atrium Health with 874 beds and 6 adult ICUs. We are the region's only Level I trauma center and is an approved transplant center for heart, kidney, pancreas and liver. We also serve as one of North Carolina's 5 academic teaching hospitals and national leader in specialized care. Atrium Health's mission is to improve health, elevate hope, and advance healing- for all.

About the Program

Fellows in the full-time, one-year program will work 40 hours per week with 36 hours designated to patient care and 10 hours of advanced level learning. Advanced learning will include: didactic education, lectures, research, journal clubs, case study presentations, multidisciplinary team shadowing and 1:1 clinical mentorship. Fellows are employed by Atrium Health and will receive a program-adjusted salary with a full benefits package. The fellowship runs June until May each year.

Curriculum Overview

Atrium Health Fellows will rotate through the 6 Critical Care ICU units at Carolinas Medical Center throughout the year including specialties in: general medicine, neurology, cardiovascular, surgical, trauma, and a progressive step-down unit.

This program will prepare you for:

- Advanced critical care occupational therapy practice
- AOTA Board Certification in Physical Rehabilitation Certification examinations
- Efficient and effective patient management
- Evidence-based practices in patient care

Admission Requirements

Recent graduates interested in critical care occupational therapy can apply to the program. However, post-entry level clinical experience in critical care occupational therapy is preferred.

The application requirements include:

- Graduate of an occupational therapy program accredited by the Accreditation Council for Occupational Therapy Education
- Active member of AOTA
- Active North Carolina Occupational Therapy license, or being eligible
- Active CPR certification

Application Process

Information and instructions can be found on the application form attachment. Contact the Rehab Services department at 704-355-3577 or Jennifer.Braun@AtriumHealth.org for any additional questions.

Applications must be submitted by February 29th
