CPE INTERN PROGRAMS 2020

All programs of Clinical Pastoral Education at Atrium Health are accredited for Level I and Level II CPE by the Association for Clinical Pastoral Education (ACPE). CPE programs consist of 400 hours, at least 100 of which are structured group and individual education. Tuition is \$450.

Extended unit classes are scheduled one day per week, with clinical ministry time negotiated according to the need of the healthcare facility and the CPE student. Extended units involve 4-6 hours of class time, plus 8-15 hours of clinical time per week. Extended students meet every other week with a CPE supervisor.
