ALLIED HEALTH PROFESSIONAL
REAPPOINTMENT PHYSICIAN ASSISTANT OR NURSE PRACTITIONER DELINEATION OF PRIVILEGES
SPECIALTY OF FAMILY MEDICINE**

SUMMARY OF OCCUPATION:

1. The Allied Health Professional is a skilled member of the health care team who is qualified by academic and clinical education and experience to provide patient services as an Allied Health Professional under the supervision of a member(s) of the Medical Staff of Atrium Health in accordance with the Bylaws of the Medical Staff.
2. He/she shall assist in the implementation of the health care plan and the management of patients by performing diagnostic and therapeutic tasks as defined and approved by the Board, and authorized under applicable law.
3. For purposes of this form, Allied Health Professional shall mean a “Dependent Practitioner” defined as a health care professional other than physicians or dentists, who is approved by the Board, who is licensed or certified by his/her respective licensing or certifying agencies, and who provides service under the supervision of a physician who is currently appointed to the Medical Staff of Atrium Health.

ORGANIZATIONAL RELATIONSHIP:

1. The Allied Health Professional shall only exercise those clinical privileges maintained by the supervising physician(s) and approved by the Board. The Allied Health Professional may also assist the residents assigned to the Department of Family Medicine in performance of their duties and responsibilities as assigned by their supervising physician. The Allied Health Professional shall notify the supervising physician of all cases of acute and severe distress, serious nature (life- or limb-threatening), or whenever the patient wishes to see a physician or has unanswered questions.
2. The Allied Health Professional shall perform all privileges in accordance with all laws and regulations pertaining to the scope of practice for his or her health profession. The Allied Health Professional shall wear a nametag identifying him/herself as an Allied Health Professional and introduce him/herself as a Allied Health Professional, and shall at no time imply, state, or lead one to believe that he/she is a physician.
3. The Allied Health Professional must conduct all duties and responsibilities in accordance with departmental and hospital policies and procedures.
4. A nurse or secretary who receives an order from an Allied Health Professional for medication(s), laboratory or radiological studies, and/or treatment is authorized to perform that order as if it were received from a physician.
5. The supervising physician(s) must sign the Delineation of Privileges form of the Allied Health Professional, accepting responsibility for appropriate supervision, and shall intervene and directly assume the care of any patient when requested by the patient or the Allied Health Professional, required by hospital policies and procedures, or when in the interest of patient care. The supervising physician(s) shall co-sign entries on the medical records of patients seen or treated by the Allied Health Professional as required by hospital policies and procedures.

QUALIFICATIONS:

1. The Allied Health Professional shall maintain qualifications as specified in the POLICY ON CLINICAL PRIVILEGES FOR ALLIED HEALTH PROFESSIONALS. His/her past experience and training shall be commensurate with privileges requested.

QUALIFICATIONS – Continued:

2. The scope of duties and responsibilities of the Allied Health Professional shall be delineated on an approved Delineation of Privileges form and approved by the Board.
3. The Supervising Physician shall delegate only tasks and procedures to his or her Allied Health Professional which are within or contemplated by the clinical privileges granted to the Supervising Physician by the Medical Executive Committee and the Board of Commissioners and which the Allied Health Professional has been approved to perform. It is understood that the supervision of an Allied Health Professional shall never be transferred to a physician who is not currently a fully appointed member of the Atrium Health Medical Staff.
4. If the Medical Staff appointment or Clinical Privileges of the Sponsoring Physician are resigned, revoked or terminated, the Allied Health Professional's permission to practice shall automatically terminate and his or her clinical privileges shall be automatically relinquished.

SUPERVISION:

Except where the Delineation of Privileges form provides for Personal Supervision or Proximate Supervision, General Supervision (as defined below) will be required for all tasks and procedures performed by the Allied Health Professional.

1. “General Supervision” shall mean the procedure is furnished under the supervising physician's overall direction and control, but the physician is not required to be present during the procedure. General Supervision requires the performance of tasks and procedures in a manner that is consistent with state law, the applicable standard of care, Medical Staff Bylaws and hospital policies and procedures, but does not require Personal Supervision or Proximate Supervision, as those terms are defined below.
2. “Proximate Supervision” shall mean the physical presence of a sponsoring/supervising physician in the hospital, in close proximity and immediately available to furnish assistance and direction to the Allied Health Professional as needed.
3. “Personal Supervision” shall mean the physical presence of a sponsoring/supervising physician in the room with the Allied Health Professional during the performance of a procedure.
