PRINT YOUR NAME:_____

	YES		NO*	I have participated in direct patient care in the hospital setting and/or outpatient practice setting within the past two (2) years.

***If the answer is "No", please do not complete this form. Contact the Medical Staff Office at (704) 355-2147 for additional instructions regarding the required proctoring process.**

To be eligible for core privileges in **Adult Dermatology**, the applicant must meet the following qualifications:

☐ If the applicant is not currently certified in Dermatology by the American Board of Medical Specialties (ABMS) or the American Osteopathic Association (AOA), the applicant must:

1. Provide documentation of successful completion of an ACGME or AOA accredited Dermatology fellowship training program, within the past five (5) years; **AND**

2. Verification from the fellowship program director that the Applicant successful completed the program. Experience must include evidence of current clinical competence during the past two (2) years. The Applicant has the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, and other qualifications and for resolving any doubts.

☐ If the applicant is currently certified in Dermatology by the American Board of Medical Specialties (ABMS) or the American Osteopathic Association (AOA), the applicant must:

1. Provide documentation of certification in Dermatology from the American Board of Medical Specialties or the American Osteopathic Association (AOA); **AND**

2. Provide documentation of consultative, inpatient, or outpatient services for at least six (6) patients during the past two (2) years; **AND**

3. Submission of a Peer Review Evaluation Form completed by one of the Applicant's peers that refers patients to Appointee.

NOTE 1: Physicians must apply for "CORE" privileges in order to be eligible for clinical privileges in the specialty of Dermatology at any facility within Atrium Health.

NOTE 2: "CORE" privileges cannot be amended or altered in any way.

NOTE 3: Please note that the exercise of certain privileges enumerated herein is necessarily limited by the operational, and resource constraints of the facility. All procedures must be performed within a clinical setting with the capabilities and organizational structure required to provide appropriate support.

Please check appropriate blocks when applying for privileges:
