

Atrium Health

IMPORTANT

Dear Applicant

Enclosed you will find the Delineation of Privileges Form specific to your specialty. This form reflects the minimum qualifications as outlined and approved by the Atrium Health Medical Staff.

- Please thoroughly review and select your desired clinical privileges. Check the box corresponding to the privileges that you are requesting. Applicants should only request those privileges where the criteria has been achieved.
- After you have selected your privileges, sign, date, and submit the **required documentation** for each privilege selected. (i.e. case logs, fellowship director letter, ACLS documentation)
- Where case logs are required, please include 1) Date of procedure, 2) Medical Record Number, 3) Procedure Type and 4) Privilege Number listed on the Delineation of Privileges Form.
- Privileges for which you have not selected or do not meet the minimum criteria cannot be performed.
- If you wish to perform privileges and do not have documentation of the minimum criteria requirements as outlined on the Delineation of Privileges Form, you will need to request permission to proctor through Medical Staff Services.
- Failure to return the Delineation of Privileges Form along with the required documentation will **delay** your start date.

If you have any questions or concerns, please contact the Medical Staff Services teammate assigned to your file.

SUMMARY OF OCCUPATION:

1. The Advanced Practice Provider is a skilled member of the health care team who is qualified by academic and clinical education and experience to provide patient services as an Advanced Practice Provider under the supervision of a member(s) of the Medical Staff of Atrium Health in accordance with the Bylaws of the Medical Staff.
2. He/she shall assist in the implementation of the health care plan and the management of patients by performing diagnostic and therapeutic tasks as defined and approved by the Board and authorized under applicable law.
3. For purposes of this form, Advanced Practice Provider shall mean a "Dependent Practitioner" defined as a health care professional other than physicians or dentists, who is approved by the Board, who is licensed or certified by his/her respective licensing or certifying agencies, and who provides service under the supervision of a physician who is currently appointed to the Medical Staff of Atrium Health.

ORGANIZATIONAL RELATIONSHIP:

1. The Advanced Practice Provider shall only exercise those clinical privileges maintained by the supervising physician(s) and approved by the Board. The Advanced Practice Provider may also assist the residents assigned to the Department of Plastic Surgery in performance of their duties and responsibilities as assigned by their supervising physician. The Advanced Practice Provider shall notify the supervising physician of all cases of acute and severe distress, serious nature (life- or limb-threatening), or whenever the patient wishes to see a physician or has unanswered questions.
2. The Advanced Practice Provider shall perform all privileges in accordance with all laws and regulations pertaining to the scope of practice for his or her health profession. The Advanced Practice Provider shall wear a nametag identifying him/herself as an Advanced Practice Provider and introduce him/herself as an Advanced Practice Provider, and shall at no time imply, state, or lead one to believe that he/she is a physician.
3. The Advanced Practice Provider must conduct all duties and responsibilities in accordance with departmental and hospital policies and procedures.
4. A nurse or secretary who receives an order from an Advanced Practice Provider for medication(s), laboratory or radiological studies, and/or treatment is authorized to perform that order as if it were received from a physician.
5. The supervising physician(s) must sign the Delineation of Privileges form of the Advanced Practice Provider, accepting responsibility for appropriate supervision, and shall intervene and directly assume the care of any patient when requested by the patient or the Advanced Practice Provider, required by hospital policies and procedures, or when in the interest of patient care. The supervising physician(s) shall co-sign entries on the medical records of patients seen or treated by the Advanced Practice Provider as required by hospital policies and procedures.

QUALIFICATIONS:

1. The Advanced Practice Provider shall maintain qualifications as specified in the POLICY ON CLINICAL PRIVILEGES FOR ADVANCED PRACTICE PROVIDERS. His/her past experience and training shall be commensurate with privileges requested.
2. The scope of duties and responsibilities of the Advanced Practice Provider shall be delineated on an approved Delineation of Privileges form and approved by the Board.

QUALIFICATION – continued:

3. The Supervising Physician shall delegate only tasks and procedures to his or her Advanced Practice Provider which are within or contemplated by the clinical privileges granted to the Supervising Physician by the Medical Executive Committee and the Board of Commissioners and which the Advanced Practice Provider has been approved to perform. It is understood that the supervision of an Advanced Practice Provider shall never be transferred to a physician who is not currently a fully appointed member of Atrium Health Medical Staff.
4. If the Medical Staff appointment or Clinical Privileges of the Sponsoring Physician are resigned, revoked or terminated, the Advanced Practice Provider's permission to practice shall automatically terminate and his or her clinical privileges shall be automatically relinquished.

SUPERVISION:

Except where the Delineation of Privileges form provides for Personal Supervision or Proximate Supervision, General Supervision (as defined below) will be required for all tasks and procedures performed by the Advanced Practice Provider.

1. "General Supervision" shall mean the procedure is furnished under the supervising physician's overall direction and control, but the physician is not required to be present during the procedure. General Supervision requires the performance of tasks and procedures in a manner that is consistent with state law, the applicable standard of care, Medical Staff Bylaws and hospital policies and procedures, but does not require Personal Supervision or Proximate Supervision, as those terms are defined below.
2. "Proximate Supervision" shall mean the physical presence of a sponsoring/supervising physician in the hospital, in close proximity and immediately available to furnish assistance and direction to the Advanced Practice Provider as needed.
3. "Personal Supervision" shall mean the physical presence of a sponsoring/supervising physician in the room with the Advanced Practice Provider during the performance of a procedure.
