

Atrium Health

IMPORTANT

Dear Applicant

Enclosed you will find the Delineation of Privileges Form specific to your specialty. This form reflects the minimum qualifications as outlined and approved by the Atrium Health Medical Staff.

- Please thoroughly review and select your desired clinical privileges. Check the box corresponding to the privileges that you are requesting. Applicants should only request those privileges where the criteria has been achieved.
- After you have selected your privileges, sign, date, and submit the **required documentation** for each privilege selected. (i.e. case logs, fellowship director letter, ACLS documentation)
- Where case logs are required, please include 1) Date of procedure, 2) Medical Record Number, 3) Procedure Type and 4) Privilege Number listed on the Delineation of Privileges Form.
- Privileges for which you have not selected or do not meet the minimum criteria cannot be performed.
- If you wish to perform privileges and do not have documentation of the minimum criteria requirements as outlined on the Delineation of Privileges Form, you will need to request permission to proctor through Medical Staff Services.
- Failure to return the Delineation of Privileges Form along with the required documentation will **delay** your start date.

If you have any questions or concerns, please contact the Medical Staff Services teammate assigned to your file.

**ATRIUM HEALTH
ADVANCED PRACTICE PROVIDER
PHYSICIAN ASSISTANT OR NURSE PRACTITIONER
SPECIALTY OF PSYCHIATRY**

Print Name _____

SUMMARY OF OCCUPATION:

1. The Advanced Practice Provider is a skilled member of the health care team who is qualified by academic and clinical education and experience to provide patient services as an Advanced Practice Provider under the supervision of a member(s) of the Medical Staff of Atrium Health in accordance with the Bylaws of the Medical Staff.
2. He/she shall assist in the implementation of the health care plan and the management of patients by performing diagnostic and therapeutic tasks as defined and approved by the Board and authorized under applicable law.
3. For purposes of this form, Advanced Practice Provider shall mean a "Dependent Practitioner" defined as a health care professional other than physicians or dentists, who is approved by the Board, who is licensed or certified by his/her respective licensing or certifying agencies, and who provides service under the supervision of a physician who is currently appointed to the Medical Staff of Atrium Health.

ORGANIZATIONAL RELATIONSHIP:

1. The Advanced Practice Provider shall only exercise those clinical privileges maintained by the supervising physician(s) and approved by the Board. The Advanced Practice Provider may also assist the residents assigned to the Department of Medicine in performance of their duties and responsibilities as assigned by their supervising physician. The Advanced Practice Provider shall notify the supervising physician of all cases of acute and severe distress, serious nature (life- or limb-threatening), or whenever the patient wishes to see a physician or has unanswered questions.
2. The Advanced Practice Provider shall perform all privileges in accordance with all laws and regulations pertaining to the scope of practice for his or her health profession. The Advanced Practice Provider shall wear a nametag identifying him/herself as an Advanced Practice Provider and introduce him/herself as an Allied Health Professional, and shall at no time imply, state, or lead one to believe that he/she is a physician.
3. The Advanced Practice Provider must conduct all duties and responsibilities in accordance with departmental and hospital policies and procedures.
4. A nurse or secretary who receives an order from an Advanced Practice Provider for medication(s), laboratory or radiological studies, and/or treatment is authorized to perform that order as if it were received from a physician.
5. The supervising physician(s) must sign the Delineation of Privileges form of the Allied Health Professional, accepting responsibility for appropriate supervision, and shall intervene and directly assume the care of any patient when requested by the patient or the Allied Health Professional, required by hospital policies and procedures, or when in the interest of patient care. The supervising physician(s) shall co-sign entries on the medical records of patients seen or treated by the Advanced Practice Provider as required by hospital policies and procedures.

QUALIFICATIONS:

1. The Advanced Practice Provider shall maintain qualifications as specified in the POLICY ON CLINICAL PRIVILEGES FOR ALLIED HEALTH PROFESSIONALS. His/her past experience and training shall be commensurate with privileges requested.
2. The scope of duties and responsibilities of the Advanced Practice Provider shall be delineated on an approved Delineation of Privileges form and approved by the Board.

Print Name

QUALIFICATION – continued:

3. The Supervising Physician shall delegate only tasks and procedures to his or her Advanced Practice Provider which are within or contemplated by the clinical privileges granted to the Supervising Physician by the Medical Executive Committee and the Board of Commissioners and which the Advanced Practice Provider has been approved to perform. It is understood that the supervision of an Advanced Practice Provider shall never be transferred to a physician who is not currently a fully appointed member of Atrium Health Medical Staff.
4. If the Medical Staff appointment or Clinical Privileges of the Sponsoring Physician are resigned, revoked or terminated, the Allied Health Professional's permission to practice shall automatically terminate and his or her clinical privileges shall be automatically relinquished.

SUPERVISION:

Except where the Delineation of Privileges form provides for Personal Supervision or Proximate Supervision, General Supervision (as defined below) will be required for all tasks and procedures performed by the Advanced Practice Provider.

1. "General Supervision" shall mean the procedure is furnished under the supervising physician's overall direction and control, but the physician is not required to be present during the procedure. General Supervision requires the performance of tasks and procedures in a manner that is consistent with state law, the applicable standard of care, Medical Staff Bylaws and hospital policies and procedures, but does not require Personal Supervision or Proximate Supervision, as those terms are defined below.
2. "Proximate Supervision" shall mean the physical presence of a sponsoring/supervising physician in the hospital, in close proximity and immediately available to furnish assistance and direction to the Advanced Practice Provider as needed.
3. "Personal Supervision" shall mean the physical presence of a sponsoring/supervising physician in the room with the Advanced Practice Provider during the performance of a procedure.

	YES		NO*	I have participated in direct patient care in the hospital setting within the past two (2) years.
--	-----	--	-----	---

***If the answer is No, please do not complete this form. Contact your Medical Staff Services Coordinator for additional instructions regarding the required proctoring process.**

Initial appointment **Reappointment** **Updated DOP/Sponsoring Physician Change**

To be eligible for Advanced Practice Provider (APP) core privileges, the applicant must meet the following qualifications:

- If the applicant completed their APP training program in the past two (2) years, the applicant must:
 1. Provide documentation of successful completion of an accredited Nurse Practitioner or Physician's Assistant graduate program where you participated in direct patient care in the hospital setting; **AND**
 2. Verification from the program director that the Applicant successfully completed the program. Experience must include evidence of current clinical competence during the past two (2) years. The Applicant has the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, and other qualifications and for resolving any doubts; **OR**
 2. If you are unable to provide current clinical competence during the past two (2) years, check the applicable core privilege "Proctoring Requested" box(s) to indicate to your Medical Staff Services Coordinator that you require proctoring. You must provide documentation of proctoring for thirty (30) encounters related to APP Psychiatry core privileges requested.

- If the applicant completed their APP training program greater than two (2) years ago, the applicant must:
 1. Demonstrate that he/she has provided inpatient services for at least thirty (30) patients, for services directly related to the APP Psychiatry core privileges requested, during the past two (2) years in an accredited hospital or healthcare facility; **OR**
 1. Check the applicable core privilege "Proctoring Requested" box(s) to indicate to your Medical Staff Services Coordinator that you require proctoring. You must provide documentation of proctoring for thirty (30) encounters related to APP Psychiatry core privileges requested.

Print Name _____

NOTE 1: "CORE" privileges cannot be amended or altered in any way.

NOTE 2: Advanced Practice Providers must apply for "CORE" privileges in order to be eligible for special procedure clinical privileges at any facility within Atrium Health.

NOTE 3: Please note that the exercise of certain privileges enumerated herein is necessarily limited by the operational, and resource constraints of the facility. All procedures must be performed within a clinical setting with the capabilities and organizational structure required to provide appropriate support.

NOTE 4: If you are unable to meet the competency criteria defined by the Medical and Dental Staff or core and/or special privileges, you will need to request permission to proctor by selecting the applicable proctoring box(s) below. Proctoring is required for privileges when an applicant/appointee does not meet the initial qualifications or reappointment criteria.

CMC	Pineville	University City	Carolinas Rehab	Lincoln	Cabarrus	Union	Stanly	Anson	Cleveland		PSYCHIATRY CORE PRIVILEGES	Proctoring Requested
										CAPP-PSY-1	Evaluate, diagnose, and provide primary mental healthcare and treatment using a variety of therapeutic and interpersonal techniques for patients within the age group of patients seen by the sponsoring physician(s) who are at risk for developing or presently have psychiatric disorders. The Advanced Practice Provider may not admit patients to the hospital but may initiate/place orders on behalf of the supervising physician.	

The Advanced Practice Provider may, in consultation with the supervising physician, perform the following duties: Initiate/place orders on behalf of the supervising physician; assess and treat individual patients with disease states and non-disease-based etiologies using advanced theoretical and empirical knowledge of physiology, pathophysiology, and pharmacology, including determination of psychiatric diagnoses based on assessments, utilizing the most recent edition Diagnostic and Statistical Manual of Mental Disorders; clinically manage psychiatric disorders including but not limited to severe and persistent neurobiological disorders; complete comprehensive assessments, develop differential diagnoses, and formulate and implement treatment plans; conduct behavioral healthcare maintenance of the population served; conduct individual, group, and family psychotherapy; direct care as specified by medical staff-approved protocols; evaluate and manage psychobiological interventions; initiate referral to appropriate physician; make daily rounds on hospitalized patients with or at the direction of the collaborating/supervising physician; monitor and manage populations of patients with disease states and non-disease-based etiologies to improve and promote healthcare outcomes; obtain social and psychological admission history; utilize advanced practice skills to independently provide case management, including psychiatric rehabilitation and home care; and teaching, promotion, and prevention; obtain and record medical history and perform physician examinations; order diagnostic testing; including the prescribing as indicated of any medication which is FDA-approved for psychiatric diagnosis, any medication which is FDA approved for, or routinely used for, treatment of side effects of medications used to treat psychiatric diagnoses; the prescribing as indicated of any medication used for treatment of diagnosis when that medication does *not* have an FDA approved indication for that disorder, provided that such "off-label" use is common at the practice site and provided such use is reviewed during supervision with the primary supervising physician in the Quality Improvement Process; the prescribing as indicated of any non-psychotropic medication urgently needed on a temporary basis for non-psychiatric conditions, including 1) continuation or renewal at an established dose of a non-psychotropic medication that has been prescribed by another health care provider in order not to interrupt or prolong the interruption of a medication that is essential for the health and safety of the patient; and 2) initiation of medication treatment for an emergent or urgent medical condition until the patient can obtain appropriate non-psychiatric medical services; such prescriptions or orders of non-psychotropic medications will be limited to those amounts estimated to be necessary to allow the patient time to obtain appropriate non-psychiatric medical services and such use is to be reviewed during supervision with the primary supervising physician required as part of the Quality Improvement Process and perform an in person face-to-face evaluation for restraint use for violent or self-destructive behavior.
