

Complete Your Advance Directive

Learn about health care power of attorney and living will forms for free!

Most of us **hope** we will always be **healthy** and **in control** of our own lives. But what if you get **sick** or **hurt** and you **can't speak for yourself**? Would your loved ones know **what medical choices** to make for you?

Having an **advance directive**, like a **health care power of attorney** and/or **living will** form, helps you stay in **control**. An **advance directive** lets you **write down** your wishes for **medical decisions** in case you **can't speak for yourself**.

Think About It. Talk About It. Write It Down.

Come to an **advance care planning** workshop. **Trained instructors** will **talk** about **advance care planning**. They will walk you through the **health care power of attorney** and **living will forms**. You will have the **chance** to have all **your questions answered** and learn **what steps** to take next.
