Note that certain aspects of this Policy are guided by the FINANCIAL ASSISTANCE POLICY (FAP). The policies and procedures stated herein are intended to comply with Alabama, Georgia, Illinois, North Carolina, South Carolina and Wisconsin State regulations, Fair Debt Collection Practices Act and 501(r) of the Internal Revenue Code and related guidance.

IV. POLICY

A. Initial Billing.

1. Insured Patient. For insured patients, AH will submit a claim on behalf of the patient to the patient's insurance provider. If there is a patient responsibility portion after the third-party insurer processes the claim, AH will send a billing statement to the Guarantor indicating the Self-Pay Balance owed.

B. Permitted Internal Collection Methods. Examples of collection methods AH may use to collect Self-Pay Balances from Guarantors include:

1. Face to face appointments with Guarantor.
2. Telephoning, text messaging, mailing, and/or emailing the Guarantor.

4. Skip-tracing.

C. Prohibited Collection Methods. AH will not use, nor permit a Contracted Collection Agency to use any debt collection method that is considered to be an ECA or otherwise prohibited by state or federal law.

D. Payment Plans. AH understands that not all patients are able to pay their medical bill in full. As a courtesy to those patients, AH offers payment plan options. Payments made on an account without an established payment plan will be applied to the balance but will not be considered an established payment plan.

E. Reasonable Efforts to Determine FAP Eligibility. Financial counseling is available to help patients identify available federal or state healthcare coverage programs which may be available to them, as well as to determine eligibility under the FAP. Before referring a Bad Debt Account to a Contracted Collection Agency, AH must ensure reasonable efforts were made to determine whether the Guarantor is eligible for assistance under the FAP. Such reasonable efforts shall include, but are not limited to, the following:

1. Offering the Plain Language Summary of the FAP to the patient prior to discharge from the hospital.
2. When a Guarantor requests information regarding financial assistance, AH shall provide the requested information and explore the possibility that the Guarantor is eligible for assistance under the FAP.
3. AH shall include, on all billing statements, a conspicuous written notice that includes:
 - i. Notification and information about the availability of the FAP.

ii. A telephone number of the office or department at AH that can provide information about the FAP and the FAP application process.

iii. The direct website address where copies of the FAP, the FAP application form, and Plain Language Summary of the FAP may be obtained.

F. Placement of Bad Debt Accounts. Bad Debt accounts with a balance equal to, or greater than five dollars may be placed with a Contracted Collection Agency.

G. Suspension of Collection Efforts. In the event a Guarantor timely submits an FAP application (i.e. prior to the 240-day deadline provided for in the FAP), then AH or the Contracted Collection Agency, as applicable, shall suspend any current collection activity of the Bad Debt Account until such time the Guarantor's eligibility under the FAP is determined.

H. Permitted External Collection Methods. Contracted Collection Agencies may use the following collection methods to collect placed Bad Debt Accounts:

1. Telephoning, text messaging, mailing, and/or emailing the Guarantor.
2. Skip-tracing.
3. Using internet-based payment portals and web-based chat sessions.

I. FDCPA Compliance. While engaging in collection efforts to obtain payment from Guarantors, AH shall comply, and shall ensure Contracted Collection Agencies comply, with all state and federal laws and regulations related to the collection of debts including, but not limited to, the Fair Debt Collection Practices Act (FDCPA).

J. No Waivers. AH may not permit Guarantors to waive any of the protections or procedures contained in this Policy.

1. North Carolina patients ONLY: Patients shall be provided with a refund within 45 days of receiving notice of the overpayment per North Carolina General Statute §131E-91.

V. PROCEDURE

C. Eligibility for Financial Assistance.

The AH Internal Self Pay Collections Team shall coordinate with the AH Financial Advocates/Financial Team to ensure reasonable efforts are made to determine whether a Guarantor is eligible for assistance under the FAP. Reasonable efforts include the provision of the written notice provided for in Section IV(E).

2. Application for Financial Assistance. If a Guarantor submits an application for financial assistance, such Guarantor's Account(s) will be removed from AH's internal collection activity and withheld from collection agency placement as long as the application for financial assistance is in pending review status.

D. Internal Collection Efforts. When a Guarantor's Account indicates a Self-Pay Balance, AH may utilize the permitted collection methods described in Section IV(B) above to obtain payment from the Guarantor. Such efforts may continue until (1) the Guarantor satisfies the Self-Pay Balance in full, (2) the Guarantor agrees to and continuously complies with a payment plan, or (3) the Account is deemed a Bad Debt Account.

E. Referral to Contracted Collection Agencies. Once an Account is deemed to be a Bad Debt Account, AH may refer the Account to a Contracted Collection Agency. AH may change which Contracted Collection Agency an account is placed with for any reason. AH will contract with Contracted Collection Agencies to ensure compliance with this Policy.

F. Bankruptcy. At such time that AH receives notice that the Guarantor has filed for bankruptcy protection, Placed Accounts will be recalled from a Contracted Collection Agency. Accounts affected by the bankruptcy filing may be routed to an external vendor specializing in bankruptcy procedure. AH will contract with the vendor to ensure compliance with this Policy and the United States Bankruptcy Code.

G. Deceased Guarantors. At such time that AH receives notice that a Guarantor is deceased, Placed Accounts will be recalled from a Contracted Collection Agency.
