Dear Interested Surgical Candidate,

We would like to take this opportunity to thank you again for choosing Atrium Health Weight Management. By attending our informational session, you should have many of your questions answered. By attending the session and seeking more information, you have made steps towards a life changing decision. There are many guidelines in the program that are necessary for your surgical care. We want you to be prepared and informed as our patient. The goals of our team are to provide you with excellent care, education, and assistance throughout the surgical process.

You will need to actively participate in a multidisciplinary program for bariatric surgery which includes nutrition, behavioral and exercise counseling. Our highly trained team is committed and excited to partner with you on your journey to better health.

Please read and fill out all the forms provided in this packet. **Please do not date anything in the packet until the day of your appointment. It is mandatory that you bring the completed packet with you to your initial surgical appointment. Failure to complete the packet before your appointment may result in rescheduling the appointment.** Please do not mail or fax in the packet. If you would like a copy of the packet for your records, please make a copy prior to your office visit.

If you have questions about the packet, please phone our Bariatric Hotline at 704-355-9484. If you must cancel your appointment for any reason, please contact our office as soon as possible to reschedule. Failure to cancel your appointment 3 times will result in you being dismissed from the practice. This is an Atrium Health policy.

**At your initial appointment you will need to bring your insurance cards, specialty co-pay or $50 towards your deductible, and your completed packet.**

We look forward to meeting with you soon!

Sincerely,

Your Bariatric Surgery Team

If you would like to verify that your insurance provider covers bariatric surgery on your specific plan or the cost estimates of the procedures, provide them with the CPT codes listed below. If you need information on surgery costs, you may call the “Insurance & Price Estimation” hotline at 704-355-0900.
