

THE *Executive Health* PROGRAM  
AT PERSPECTIVE HEALTH & WELLNESS

THE BEST IN *Health Care*. CENTERED ON YOU.

Your time is valuable. Your health is essential. At Atrium Health, we do not believe you should have to compromise on either. Participating in our Executive Health Program at Atrium Health Perspective Health & Wellness will afford you the highest level of personalized care and convenience, so you can live well, stay focused and lead the way. It is best-in-class healthcare that is designed to take you and your organization further.

## PROVIDING *Exceptional* CARE STARTS WITH COMMITMENT

We offer a robust, all-inclusive health exam – called the Executive Physical – to review your medical history, assess potential risk factors and create a wellness plan that is tailored to your healthcare needs. We go beyond offering exceptional care and work with you to build the best care foundation for you.

### THE *Executive Physical* INCLUDES

- Pre-visit phone consultation and medical records review
- Extensive laboratory testing
- Enhanced diagnostic testing
- Comprehensive physical exam
- Immunization review and update
- Personalized fitness assessment with our board-certified exercise physiologist
- Nutrition consultation with registered dietician
- Post-exam recommendations and follow report
- Complimentary, personalized referrals to Atrium health specialist
- Complimentary access to your health records via MyAtriumHealth

### TAKE YOUR EXECUTIVE HEALTHCARE TO THE NEXT LEVEL

Atrium Health is the region's only health system ranked by U.S. News & World Report. With breakthrough treatments, clinical trials and renowned specialists you won't find anywhere else, we're perfectly positioned to deliver the highest standard of executive care.

If you'd like an experience that's even more personalized, our Executive Concierge Program is a membership-based primary care program within Executive Health. In addition to the Executive Physical, it offers exclusive benefits, 24/7 access to your care team and an enhanced level of care, tailored for you.
