

## **Program Curriculum**

The program will have one resident per year with rotations through all three clinical disciplines in the first year of training to include general thoracic, adult cardiac, and congenital cardiac surgery.

The curriculum is divided into three possible tracks; Cardiothoracic, Cardiac, and General Thoracic. The curricula will provide weighted experiences towards the specialty of the applicant's choice.

Track	Year	Rotation	Duration (Months)
Cardiothoracic	1	Thoracic	4
		Cardiac	5
		Imaging	1
		CTICU	1
		Congenital	1
	2	Thoracic	5
		Cardiac	4
		Cath/Interventional	1
		Elective	1
		Congenital	1
Cardiac	1	Thoracic	4
		Cardiac	6
		CTICU	1
		Congenital	1
	2	Thoracic	2
		Cardiac	7
		Cath/Interventional	1
		Elective	1
		Congenital	1
Thoracic	1	Thoracic	5
		Cardiac	4
		Congenital	1
		CTICU	1
		Imaging	1
	2	Thoracic	7
		Cardiac	2
		Congenital	1
		Cath/Interventional	1
		Elective	1
