All dollars raised for the Foundation this year will go toward the Giving Hope Campaign for Atrium Health.

Teammates can choose to donate to one or more of the following funds:

Behavioral Health Advancement Fund

Improving access to world-class behavioral healthcare in our region.

Bishop Battle Scholarship Endowment

Supporting those from underserved communities who are pursuing a degree in health sciences.

Levine Cancer Institute Advancement Fund

Bringing world-class cancer care to patients and employees, close to home.

Sanger Heart & Vascular Institute Advancement Fund

Supporting our mission of delivering life-saving care to *all* adult heart patients.

Women's Health Services Advancement Fund

Supporting advancements in women's health by expanding research opportunities and creating programs and educational initiatives to improve access to care for women from all walks of life.

Community Health & Social Impact Fund

Supporting our patients, teammates and neighbors through programs that improve health equity and address basic needs like access to health care, food and affordable housing.
