

Atrium Health

Upcoming Education and Career Fairs

At Atrium Health, we are committed to providing our teammates with the education and resources to grow and advance in their careers. Our Career Development Center is offering **Education and Career Fairs** for Greater Charlotte teammates to ask questions and learn more about our programs and benefits.

Why attend?

- Learn how to access the EdAssist Portal and use your education benefits, including loan forgiveness, prepaid tuition, financial assistance toward college degrees and academic coaching
- Speak with local colleges about their health care degree and certification programs
- Learn about Atrium Health’s critical roles and how you can prepare to advance your career

No registration is required. We welcome all teammates who are interested in learning more about their education benefits and academic programs at local colleges.
