

OUR FOCUS: Educating, Hiring and Training the Next Generation of Health Care Professionals

Rise to Success is a sponsorship program that enables high school graduates to earn an associate's degree or a certification in a health care related discipline from a local community college. Tuition, textbooks, activity fees and scrubs are paid by Atrium Health. While participants are in college, they are hired into an entry-level part-time position.

Participants are expected to work for Atrium Health for the duration of their community college career and an additional year after completion of their associate's degree; participants are also encouraged to earn their bachelor's degree upon program completion. Participating individuals will have access to a career coach who will support their academic and work success throughout the program.

CRITERIA AND REQUIREMENTS

Candidates must meet these minimum requirements in order to be considered for the Rise to Success program.

- Graduated with a high school diploma (*18 years of age by June 1)
- Have a minimum 3.0 GPA
- Must complete and submit all required application materials

Participants are expected to obtain an associate's degree or certification in a health care related field.

Examples include:

Radiology

Medical Assistant

Respiratory Therapy

Medical Laboratory
Technology

Surgical Technologist

Nursing

On the path to becoming a Nurse

“ The program has truly been a transformational journey for me. I have gained invaluable insights into the various facets of a working hospital, while also getting compensated for my efforts and learning. The experiences and knowledge I've acquired have not only enhanced my professional skills but have also inspired a deeper passion for my career in health care. I am grateful for the opportunity to grow and make a positive impact in the lives of others through this program. ”

Shanel Wright

Patient Transporter, Atrium Health Navicent

*Current Student, Central Georgia Technical College
Westside High School, Class of 2023*
