

## MEMBER ID CARDS

### Hello Atrium Health Teammates!

CEC is pleased to provide you with a member ID card for your vision benefit. When visiting a CEC network provider, you can present this ID card so they can quickly find your benefit plan in their system.

A digital ID card can also be presented to your provider at the time of your visit. To get this digital version, you may log in through the CEC Members Portal at [cecvision.com/members/login](https://cecvision.com/members/login).

### Member ID Update

In order to ensure the highest level of security of your personal information, CEC has removed the last four digits of your Social Security Number from your member ID. **Your new member ID is the same as your Atrium Health Teammate ID.**

### Find Your Favorite Provider

To find a provider in your area, visit [cecvision.com/search](https://cecvision.com/search). There you will find in-network optometrists, ophthalmologists, and retail chains that accept your CEC vision benefit.
