INTRODUCTION

Atrium Health cares about the health and well-being of parents, children and families. Atrium Health supports teammates who are parents caring for and bonding with a child who has joined their family through birth, adoption, or legal placement by providing Parental Benefits to eligible teammates, such as paid parental leave, financial assistance for adoption, transitional child care, and additional parental benefits as listed below. A teammate who is a parent who gives birth may also be eligible for additional time for recovery and benefits through our Short-Term Disability Benefit Carrier.

EFFECTIVE DATE: January 1, 2020

ADMINISTRATION: Teammates should contact Atrium Health Human Resources to obtain additional information about Parental Benefits, including eligibility, requirements, payment amounts, coverage or any other aspect of Parental Benefits. Teammates may also obtain additional information about Short-Term Disability Benefits from Atrium Health Human Resources. Atrium Health Human Resources is responsible for administering Parental Benefits.

ELIGIBILITY AND PROCEDURES

Eligibility Requirements and Procedures

An Atrium Health teammate is eligible for Parental Benefits from the first day of full-time employment with at least 30 standard hours per week on the regular Atrium Health payroll. Temporary teammates and Contract Workers are not eligible for Parental Benefits.

Effective January 1, 2020, eligible teammates must submit a request for Parental Benefits within six months of the birth, adoption, or legal placement of the child. Supporting documentation is necessary at the time of the request for parental leave. Documentation may include a Request for Leave, certification from the teammate's healthcare provider or from the birth parent's healthcare provider, and, as applicable, the child's birth certificate or notice of placement of adoption or notice of legal placement. All paperwork should be submitted to Leave of Absence Administration, hrleave@atriumhealth.org.

Eligible teammates who become parents on or after July 1, 2019, but prior to January 1, 2020 (the effective date of the Parental Benefits) must submit a request for Parental Benefits and supporting documentation from January 1, 2020 to February 29, 2020. Paid parental leave must be taken prior to June 30, 2020.

Teammates who became parents prior to July 1, 2019 are not eligible for Parental Benefits.

When Teammate Eligibility Terminates

Teammate eligibility for the Benefit will terminate on the date the teammate's employment with Atrium Health ends or the date the teammate experiences a status change to less than 30 standard hours per week.

PARENTAL BENEFITS

Atrium Health offers the following Parental Benefits to eligible teammates:

Paid Parental Leave

- Paid parental leave is time away from work to care for and bond with the teammate's child, under age 18, who is a newly added member of the teammate's family through birth, adoption or legal placement
- The maximum amount of paid parental leave is:
 - Four consecutive weeks paid leave for non-birth parents*
 - A combined total of six consecutive weeks paid leave for parents who give birth (combining paid parental leave with additional time for recovery and benefits through our Short-Term Disability Benefit Carrier)
- Paid parental leave must be requested within six months of the child's birth, adoption or legal placement**
- Paid parental leave can be taken immediately or at a later mutually agreed upon time
- Teammates will be paid 100% of their base pay for the length of the approved parental leave
- Paid parental leave is available for only one birth, adoption or legal placement per calendar year. The maximum amount of paid parental leave is four consecutive weeks (or up to six weeks for parents who give birth).

**In the event the legal placement of a child is for less than four weeks, the length of paid parental leave will be up to but no longer than the length of the legal placement.*

***The deadlines for requesting Short-Term Disability Benefits and unpaid leave under the Family and Medical Leave Act differ. Teammates who are planning to give birth must contact our Short-Term Disability Benefit Carrier to initiate a claim for benefits within the time required by the carrier and the applicable Short-Term Disability plan, which is currently no earlier than 30 days before their anticipated first day of missed work. Teammates who qualify for unpaid leave under the Family and Medical Leave Act can request FMLA leave within 12 months of the child's birth, adoption or legal placement to care for and bond with their child. To comply with these various deadlines, teammates should contact Atrium Health Human Resources promptly once they anticipate becoming parents and using parental benefits.*

Calculation of Paid Parental Leave

The amount of compensation for paid parental leave is calculated by multiplying the teammate's base rate of pay by the number of their standard hours per week. Compensation will be paid by Atrium Health and, if applicable, the Short-Term Disability Carrier.

- Teammates who are non-birth parents on an approved four weeks of paid parental leave are paid:
 - Weeks 1 – 4 100% by Atrium Health
- Teammates who give birth to a child, and who are approved for up to six weeks of paid short-term disability leave under the Parental Benefits program, and who do not carry the Short-Term Disability Buy-Up Benefit are paid:
 - Weeks 1 – 2 100% by Atrium Health
 - Weeks 3 – 6 60% by the Short-Term Disability Carrier and 40% by Atrium Health
- Teammates who give birth to a child, and who are approved for up to six weeks of paid short-term disability leave under the Parental Benefits program, and who carry the Short-Term Disability Buy-Up Benefit are paid:
 - Week 1 100% by Atrium Health
 - Weeks 2 – 6 60% by the Short-Term Disability Carrier and 40% by Atrium Health

An approved continuous FMLA leave of absence for the purpose of caring for and bonding with a child due to birth, adoption or legal placement runs concurrently with paid parental leave (and, if applicable, with short-term disability leave). Teammates may elect to use available PTO for any unpaid portion of FMLA leave or other approved leave.

Financial Assistance for Adoption

- Financial assistance for adoption in the amount of \$3,500
- The financial assistance is available for domestic and international adoptions of a child under age 18
- The maximum financial assistance is \$3,500 per family in a calendar year to be requested within six months of the notice of placement of adoption
- In the event both parents are eligible Atrium Health teammates, each are allowed paid parental leave; however, \$3,500 is the total amount of financial assistance for an adoption per family in a calendar year, and it will be paid to only one parent

Transitional Child Care

- Transitional child care for up to 30 days to eligible parents who are returning to work following their leave for the arrival of a child to their home through a birth, adoption or legal placement

- Transitional child care must be requested within six months of the child's birth, adoption or legal placement
- The program recommends options from a nationwide network of child care centers and in-home agencies; there is also an option to use a trusted friend or family member
- Transitional child care is available for one birth, adoption or legal placement per family in a calendar year
- In the event both parents are eligible Atrium Health teammates, each are allowed paid parental leave; however, 30 days is the total maximum amount of transitional child care available per family in a calendar year

Additional Parental Benefits

- Option for the teammate to add the child to their LiveWELL Health Plan – Health Savings Plan or Co-pay Plan – within 31 days of the date of the event
- Option to enroll or make changes to the Dependent Care Flexible Spending Account, based on the qualifying event of the birth, adoption or legal placement of the child – within 31 days of the date of the event
- Breast pump reimbursement, if the breastfeeding parent participates in one of the LiveWELL Health Plans – Health Savings Plan or Co-pay Plan
- Dependent Back-Up Care, which provides child care services when the unexpected happens or when the teammate's regular caregiver is unavailable

It is highly advisable for teammates to consult with a qualified tax advisor to determine what impact the utilization of the Parental Benefits might have on their tax responsibilities.
