

## Meet Angela

**Angela Albero**  
PA-C, MMSc  
*Physician Assistant*

*I'm eager to serve  
as your partner  
throughout your  
healthcare journey.*

### About Me

My primary goal as an Advanced Practice Provider with Atrium Health Employer Solutions is to provide compassionate, high-quality care for you and your family. I enjoy providing patients with education about symptoms, diagnoses, preventive health and overall health and wellness. My hope is for patients to feel confident and empowered to make healthcare and lifestyle decisions leading to a long and active life.

### My Education and Experience

- Master of Medical Science, Physician Associate Program, Yale University School of Medicine
- Bachelor of Arts in Biology, Cornell University *cum laude*
- 16 years as a Physician Assistant with experience in emergency medicine, primary care and occupational medicine.
- Certifications: BLS, ACLS, Department of Transportation Certified Medical Examiner
- Professional Memberships: American Academy of Physician Assistants, Association of PAs in Occupational Medicine
- Bilingual with fluency in Spanish

### My Hobbies

- Spending time with family
- Baking
- Hiking
