

## Meet Casie

### Casie Ussery

DNP

*Family Nurse Practitioner*

“  
I am passionate  
about teaching  
and exploring  
ways to improve  
the health of my  
patients.

### About Me

As an Advanced Practice Provider with Atrium Health Employer Solutions, I am trained to provide primary care for both pediatric and adult populations. My goal is to provide exceptional, comprehensive care to each person. I have been a nurse practitioner for 7 years, and I have compassion for treating acute care and providing chronic care for children and adults.

### My Education and Experience

- Doctor of Nursing Practice, Frontier Nursing University
- Master of Science in Nursing, Winston-Salem State University
- Bachelor of Science in Nursing, Winston-Salem State University
- Bachelor of Art, Winston-Salem State University
- Associate of Science in Nursing, Gaston College
- Certifications: DOT Certified Medical Examiner, LNC, ACLS, CPR, APRN
- Professional Memberships: Chi Pi, Sigma Theta Tau International Honor Society, Rho Lambda, Sigma Theta Tau International Honor Society, Eta Chapter, Epsilon Tau Sigma National Honor Society of Nursing, Metrolina Coalition of Nurse Practitioners, American Association of Nurse Practitioners

### My Hobbies

- I enjoy spending time with my family and friends.
- I love to travel around the world and learn about different cultures.
- I enjoy going to sport games.
