Financial Assistance Policy

Financial Assistance Policy

POLICY: Scotland Memorial Hospital shall provide appropriate levels of care, commensurate with the facility's resources and the community needs. Scotland Memorial Hospital is committed to assisting patients obtain coverage from various programs as well as providing financial assistance (FA) to every person in need of medically necessary hospital treatment. Scotland Memorial Hospital will always provide emergency medically necessary care regardless of the patient's ability to pay. Similarly, patients who are able to pay have an obligation to pay and providers have a duty to seek payment from these individuals.

OBJECTIVES:

- To model Scotland Memorial Hospital's core values of Caring at all times.
- To ensure the patient exhausts all other appropriate coverage opportunities prior to qualifying for financial assistance including a Medicaid pre-screening questionnaire.
- To provide financial assistance based on the patient's ability to pay.
- To ensure compliance with any required Federal or State regulation related to financial assistance.
- To establish a process that minimizes the burden on the patient and is cost efficient to administer.

DEFINITIONS:

The terms used within this policy are to be interpreted as follows:

- Amount Generally Billed (AGB): The average amount billed to insurance companies and Medicare for billable services provided to patients.
- Bad Debt: Accounts that have been categorized as uncollectible because the patient has been

- unable to resolve the outstanding medical debt.
- **Balance Allowed (by Insurance or Medicare):** The total amount of a claim that is determined to be payable by the insurance company and the subscriber after applying contractual adjustment amounts.
- **Elective:** Services that, in the opinion of a physician, are not needed or can be safely postponed.
- **Emergency Care:** Immediate care which is necessary in the opinion of a physician to prevent putting the patient's health in serious jeopardy, serious impairment to bodily functions or serious dysfunction of any organs or body parts.
- **Household Financial Income:** Includes income from all members of the household as defined by federal tax guidelines. As measured against annual Federal Poverty Guidelines includes, but is not limited to the following:
 - Annual household pre-tax job earnings
 - Unemployment Compensation
 - Workers' Compensation
 - Social Security and Supplemental Security Income
 - Veteran's payments
 - Pension or Retirement income
 - Other applicable income to include, but not limited to: rent, alimony, child support, and any other miscellaneous source
- **Medically Necessary:** Hospital services provided to a patient in order to diagnose, alleviate, correct, cure or prevent the onset or worsening of conditions that endanger life, cause suffering or pain, cause physical deformity or malfunction, threaten to cause or aggravate a handicap, or result in overall illness or infirmity.
- **Other Coverage Options:** Options that would yield a third party payment on account(s) including, but not limited to: Workers' Compensation, governmental plans such as Medicare and Medicaid, State/Federal Agency plans, Victim's Assistance, etc., or third-party liability resulting from automobile and/or other accidents.

Financial Assistance Guidelines

Eligibility Scale

- Full charity care shall be provided to uninsured patients earning whose Household Financial Income is 200 percent or less of the Federal Poverty Guideline (FPG).
- For financially needy patients whose Household Financial Income is between 201 percent and 400 percent of the FPG, discounts shall be provided to limit such patient's payment obligation to the amount of the patient account balance after subtracting the percentage discount applicable to the patient's FPG household income provided in the following table:

Discount	Current Year Federal Poverty Guidelines for Family Size
100%	Family income is less than or equal to 200% of FPG

75%	Family income is 201% to 300% of FPG
50%	Family income is 301% to 400% of FPG

Documentation Requirements

Documentation of household size and income is required. Acceptable documents may include:

- Federal Income Tax Returns, most recent
- W-2 form, most recent
- 1099 form, most recent
- Payroll check stubs, 3 consecutive months prior to the date of the application
- Food Stamp approval letter
- Bank Statements, 3 consecutive months prior to the date of the application

If the patient does not or cannot present the information outlined above, the facility may use other evidence (PARO screening) to demonstrate eligibility.

If additional information is required from the patient to complete the application, the facility will notify the individual in writing of the information that is missing and provide a reasonable time period for it to be provided.

Presumptive eligibility

Patients who qualify and are receiving benefits from the following programs may be presumed eligible for 100 percent financial assistance:

- **Food stamps.** The U.S. Department of Agriculture Food and Nutrition Service Food Stamp Program.
- **State Relief Programs.** Some State programs that do not cover medical needs are available to individuals deemed to be living in poverty. Scotland Memorial Hospital may accept a patient's participation in specific programs as qualification for financial assistance when medical insurance benefits are not available.
- **Local Programs.** Some local agencies offer a financial assistance program designed to provide emergency short-term assistance to persons lacking the resources to meet their basic needs for food, shelter, fuel, utilities, clothing, medical, dental, hospital care and burial. Scotland Memorial Hospital may accept patient's that receive these benefits as qualification for financial assistance when hospital charges are not covered by these programs.
- **Homelessness.** Homeless persons would also qualify for assistance.
- **Deceased Patients.** Unpaid balances of patients who are deceased with no estate or surviving responsible party would also qualify for assistance.
- **Demographic Analytics.** Patient demographics may be compared with a third party database using public information to identify poverty conditions (e.g. PARO score) to determine eligibility for the Financial Assistance Program.

Patients who meet presumptive eligibility criteria may be granted financial assistance without completing the financial assistance application. Documentation supporting the patient's qualification for

or participation in a program must be obtained and kept on file. Unless otherwise noted, an individual who is presumed eligible under these presumptive criteria will continue to remain eligible for the Eligibility period outlined below, unless facility personnel have reason to believe the patient no longer meets the presumptive criteria.

Eligibility Evaluation Process

In order to determine the appropriate level of financial assistance to apply to a patient's account, the facility will perform one of the following:

- Utilize a scoring mechanism, with the assistance of a third-party vendor that provides a patient financial profile
- Require the patient to complete a Financial Assistance Application
 - Household income, as defined above, will be considered in determining whether a patient is eligible for financial assistance. .
- Document the patient's qualification under Presumptive Eligibility criteria (outlined above) on a Financial Assistance Application.

Eligibility Period

- An individual who is presumed eligible under these criteria will continue to remain eligible for six months following the date of the initial application, unless information is identified that the patient status has changed and would deem the patient to be ineligible.
- Upon initial approval, the facility will also include uninsured accounts as eligible for financial assistance if the first post discharge statement was mailed 240 days or less from the eligibility date.
- Patients will be refunded any amounts they paid that are in excess of the final liability determined to be appropriate after financial assistance discounts are applied.

Eligible Population

- This policy is applicable to uninsured patients that receive Medically Necessary Care.

Patients with third party insurance coverage (including governmental payers) are not eligible for financial assistance for balances after insurance. However, patients can request discounts through the Hardship Settlement Policy.

Eligibility Notification

After receiving the patient's request for financial assistance and any financial information or other documentation needed to determine eligibility for financial assistance, the patient will be notified of the patient's eligibility determination within a reasonable period of time.
