## INTRODUCTION

**SCOTLAND HEALTH** is proud to be the community's health care system. We are a community owned, not-for-profit organization that includes Scotland Memorial Hospital, Scotland Regional Hospice, Scotland Memorial Foundation, Scotland Physicians Network and Scotland Family Counseling Center.

Our management agreement with Atrium Health supports our independence, offering tremendous talents and resources in order for Scotland Health to continue to provide our community members high quality services focused on individual patient needs.

The Scotland Way defines the culture of Scotland Health. It is the ideal to which we aspire and the way we currently act. We strive to be Better: Better than yesterday, Better than our peers, Better than expected, so that our patients get Better.

**Our Mission:** To serve our communities by providing Safe, High-Quality, Compassionate, and Sustainable health care.

**Our Vision:** To be the premier rural health care system in the Carolinas.

**Our Values: Service**

We provide essential health services to all in our communities.

**Accountability**

We are transparently accountable to our communities.

**Respect**

We treat our patients, each other, and all members of our communities with respect.

**Cultural Competence**

We recognize and appreciate the diverse backgrounds of our patients, staff, and communities.

**Stewardship**

We wisely use our resources to ensure that our communities are cared for in the future.

Scotland Memorial Hospital started in 1946 in the medical facilities of the deactivated Laurinburg/Maxton Air Base. In 1951, it moved to McLean Street as a 100-bed facility and, with additions in 1956 and 1965, increased the number of its acute care beds to 124. In 1983, the hospital opened its new facility on its current campus and is licensed for 104 acute care beds.

Scotland Health offers a full range of acute care and outpatient care services.

- A staff of over **1,400 full-time and part-time employees** makes us the area's largest private employer.
- Our providers cover a wide range of specialties from: anesthesiology to vascular surgery.
- **Scotland Health** owns and operates the following:
  - Harris Family Practice
  - Laurinburg ENT
  - Laurinburg Urology
  - Marlboro Family Practice and Urgent Care
  - Maxton Family Practice
  - Pembroke Family Practice
  - Scotland Nephrology
  - Scotland Pulmonology and Sleep Medicine – Laurinburg and Pembroke
  - Scotland Surgical and GI – Laurinburg, Pembroke and Marlboro
  - Scotland Urgent Care Center
  - Wagram Family Practice
  - Wolonick Family Practice
  - Women's Health Center of the Carolinas at Laurinburg
  - Women's Health Center of the Carolinas at Pembroke
- Scotland Health treats an average of 55 inpatients daily and perform over 6,000 surgeries annually.
- Approximately 55,000 patients are seen in our Emergency Center each year.
- Close to 700 babies are delivered at Scotland Memorial Hospital each year.
- **Scotland Health** operates three urgent care facilities which provide patients with non-emergent health care needs, shorter wait times and often lower costs than a visit to the Emergency Center. No appointments are necessary.

## INTRODUCTION

- **Scotland Urgent Care and Occupational Health Services** are located on the hospital campus in the Community Health and Rehabilitation Center. Scotland Urgent Care is open seven days a week from 8:00 am to 6:30 pm.
- **Marlboro Family Practice and Urgent Care is located in the Marlboro Medical Complex.** Urgent Care services are provided Monday through Thursday from 7:00 am to 6:00 pm , Fridays from 8:00 am to 5:00 pm., and Saturday from 8:00 am to 1:30 pm.
- **Outpatient Imaging Center**, conveniently located on the corner of the hospital campus, offering outpatient imaging services for 3D mammograms and ultrasounds of the breast.
- **Sophisticated technologies include:** open-bore MRI, nuclear medicine, CT scanning with a state-of-the-art 64 slice CT scanner, laser surgery, PET scans, Fibroscan and 3D mammography.
- **Scotland Mobile Health Care** provides mobile health care services to our community and industries.
- A successful **Cardiopulmonary Rehabilitation Program** enhances the health of patients with heart disease or certain breathing problems or diseases.
- **Scotland Cancer Treatment Center** provides quality medical and radiation oncology services through its affiliation with Duke Health. All of the Center's medical providers are Duke-affiliated with access to many of Duke's resources.  

Our cancer center offers the latest in linear accelerator technology with intensity modulated radiation therapy (IMRT), multi-leaf collimation (MLC), electronic portal imaging, and image-guided radiation therapy (IGRT) capabilities.
- **Scotland Regional Hospice** is a non-profit Medicare and Medicaid certified health care provider licensed by the State of North Carolina and accredited by the Accreditation Commission for Health Care Inc. Scotland Regional Hospice has been addressing the special needs of families facing end-of-life issues since 1986.
- **Scotland Sleep Center** is a four-bed facility which provides access and timely results and treatment for those suffering with sleep disorders. Patients spend one night in the Sleep Center's private room for a simple, painless procedure where brain waves, muscle activity, leg movements, heart rhythms, and other body functions are monitored while they sleep.
- **Scotland Cardiovascular Center**, a joint venture with FirstHealth of the Carolinas, is a state-of-the-art facility providing cardiac catheterizations and urgent and elective percutaneous coronary intervention services for heart disease and vascular procedures to treat circulation

problems. Scotland Cardiovascular Center allows our patients to enjoy the type of care found at a major medical facility combined with the comfort and convenience that comes from being close to home.

- **Scotland Family Counseling Center** provides outpatient mental health services to a five-county area. This private, non-profit corporation is dedicated to providing faith-integrated professional counseling services to individuals, couples, families, and children.
- **Marlboro Specialty Complex** – Houses Scotland Surgical & GI, OrthoCarolina and Marlboro Ob/Gyn.
- **Retail Pharmacies** are conveniently located inside of Harris Family Practice, Marlboro Family Practice and Urgent Care and Pembroke Family Practice and Urgent Care.
- **Emergency Air Medical Transportation Service**, a partnership with Cape Fear LifeLink Air to station a helicopter 24/7 on the Scotland Memorial Hospital campus to cut response times and deliver critical care air ambulance services to patients following a traumatic illness or injury.

## INTRODUCTION

---

- **The Scotland Wound Healing Center** The Scotland Wound Healing Center is specifically designed to treat patients with hard-to heal sores or wounds, often utilizing the two hyperbaric oxygen chambers. The Center is located in the Community Health and Rehabilitation Center. Inpatient wound care is also provided.
- **The Outpatient Rehabilitation Services Department** includes a rehabilitation gym and private treatment rooms designed for one-on-one treatments and evaluations. Services include Occupational Therapy, Physical Therapy, Recreational Therapy, and Speech Therapy.
- The **Scotland Women's Center** consists of Labor and Delivery, Obstetrics and Gynecology rooms, and a Nursery. The staff of the Women's Center is dedicated to providing you and your family members with the information and education needed to make informed decisions throughout the childbearing years.

**To learn more about Scotland Health and our medical providers, please call the Marketing Department at (910) 291-7517**

**Information can also be accessed through our website: [ScotlandHealth.org](https://ScotlandHealth.org)**
