HOSPICE OF SCOTLAND COUNTY

Since 1986, Hospice of Scotland County has been committed to providing exceptional, compassionate end-of-life care to people in our community. A team of professionals and volunteers, including physicians, nurses, social workers, chaplain, and bereavement counselor, provides personalized care for each patient and family we serve.

Hospice care is for patients who are considered to be in the last 6 months of life, as certified by a physician. Our care focuses on pain control and symptom management. A team of professional staff members provides personalized care for each patient. Patients receive care in their homes, in rest homes, assisted living and long-term care facilities, as well as hospitals.

Vision:

The vision of Hospice of Scotland County is to provide care for persons near the end of life so they may live as fully and comfortably as possible, and to offer continuing support to their families and community.

Mission:

The Mission of Scotland Health Care System is to work with our health care partners to create and operate a patient centered, integrated system to provide Safe, High Quality, Compassionate, and Sustainable health care to the people we serve.

Dear Friends of Hospice,

We are excited to announce the 40th Annual Hospice of Scotland County Golf Tournament, taking place May 5 and 6, 2026 at Scotch Meadows Country Club. This year's format will be Captain's Choice, and each day will function as a separate tournament—giving golfers the option to play one day or both!

Since its inception four decades ago, this premier fundraising event has been proudly sponsored by Eaton Golf Pride and hosted by Scotch Meadows. Thanks to your generosity, the tournament has raised more than \$4.8 million to support compassionate patient care. Last year alone, we raised over \$171,683—a testament to the incredible commitment of our community.

We invite you to join us this year as a sponsor, golfer, or silent auction contributor, affirming your belief in our mission. Your support ensures that we can continue providing exceptional care to patients and families facing life-limiting illnesses—regardless of their ability to pay. One hundred percent of all proceeds benefit patient care services.

With the help of Golf Pride, Scotch Meadows, and our dedicated sponsors, we look forward to another fun and successful event! To secure your sponsorship and guarantee recognition at the tournament, please return the enclosed form by April 24.

Every year, we come together to work hard and play hard, knowing that the true winners are the patients and families we serve. Thank you for helping us make a difference in their lives. If you have any questions, please call Bunny Hasty at (910) 276-7176 or visit www.scotlandhospice.org.

We can't wait to see you on the course!

Sincerely,

Golf Tournament Committee

Dear Sir/Madam:

This is in response to your inquiry requesting a copy of the letter which granted tax exempt status to the above named organization.

Our records show that the organization was granted exemption from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) effective October 1985. We have also determined that the organization is not a private foundation because it is described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you under section 170 of the Code.

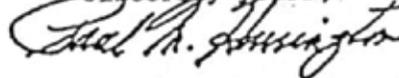

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990, Return of Organization Exempt From Income Tax, only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

A copy of our letter certifying the status of the organization is not available, however, this letter may be used to verify your tax-exempt status.

Because this letter could help resolve any questions about your exempt status, it should be kept in your permanent records.

Sincerely yours,

Paul M. Harrington
District Director
