# SECTION I: GENERAL INFORMATION

## History & Characteristics

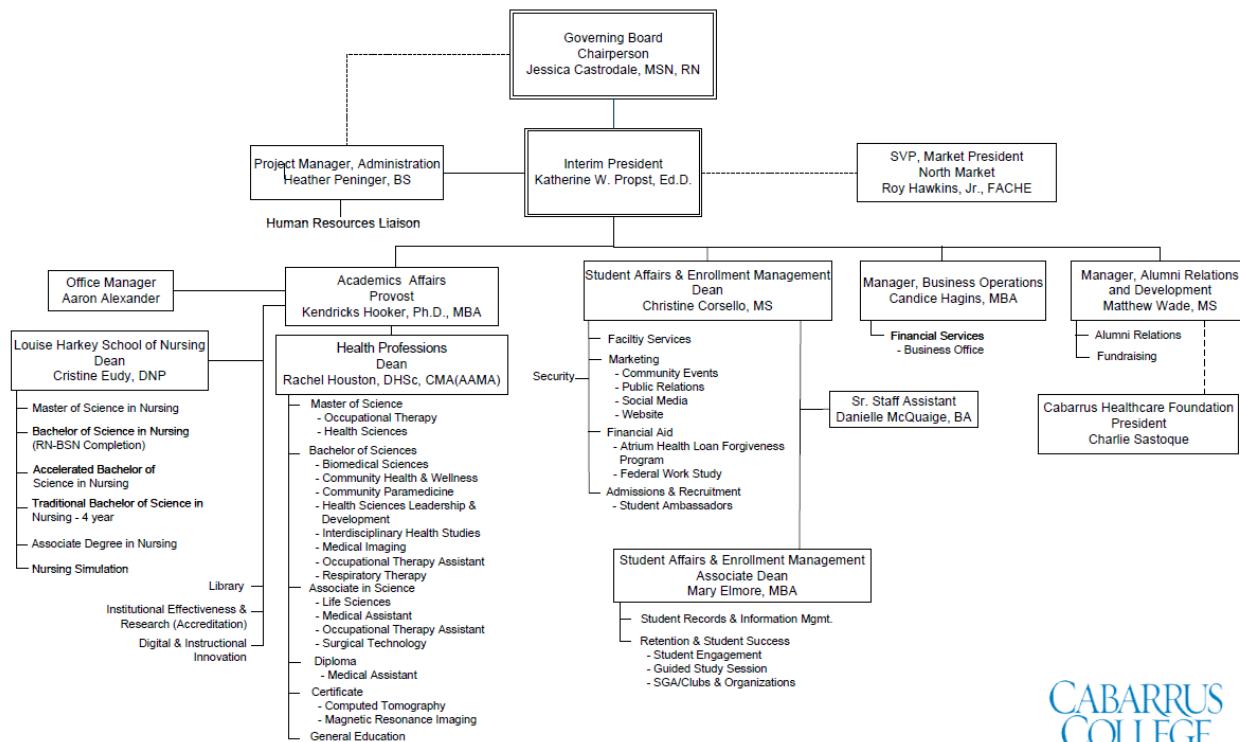

Cabarrus College is a private independent college whose mission is to provide progressive, exemplary healthcare education. The College is an unincorporated operating division of Atrium Health (formerly Carolinas HealthCare System) and is part of Atrium Health Cabarrus located in Concord, North Carolina. The College fulfills its mission through its commitment to academic excellence, student success, employee engagement, institutional effectiveness, performance excellence, and benefit to the community.

Cabarrus College of Health Sciences' roots began in 1942 as a hospital-based 3-year training program for nurses in Cabarrus County. In 1963 it was accredited by the National League for Nursing and in 1973 became North Carolina's first 24-month hospital-based diploma program. In 1988, the North Carolina General Assembly granted the School of Nursing the authority to award its graduates a 2-year Associate in Science degree. The School began to expand and in 1995 received its initial accreditation by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). In January 1996, the institution changed its name to Cabarrus College of Health Sciences and in 1998, the College was granted authority by the North Carolina General Assembly to award baccalaureate degrees. Regional accreditation at this higher level was affirmed in December 2000. SACSCOC granted approval for the College's first online program in 2011. In January 2014, SACSCOC approved Level III membership with the addition of the Master of Occupational Therapy program. Today, the college offers one diploma, two certificates, five associate, ten baccalaureate and three master's degree programs.

Cabarrus College has a unique environment that cultivates and nurtures talent, shaping graduates into caring, committed healthcare professionals with a passion for making a difference. From the very first day, students are immersed in a state-of-the-art environment that embodies excellence and provides ongoing, real-life clinical experiences. Graduates of Cabarrus College boast 90+ percent pass rates on licensure and certification examinations, exceeding both state and national averages. Although admission policy states that the priority admissions deadlines are January 1 for fall semester and October 1 for spring semester, applications are accepted after priority deadlines until a program is full.

## Organizational Chart

## INSTITUTIONAL ORGANIZATIONAL CHART

## Vision, Mission and Values

### **Vision**

To be the premier, private, residential health sciences college, preparing healthcare professionals and leaders who impact their communities through inclusive, innovative and compassionate care.

### **Mission**

Cabarrus College provides progressive, exemplary healthcare education. The College fulfills its mission by striving to:

- Strengthen the human, physical, and technological resources needed to improve student services, promote engagement, and best support the success of our learners.
- Have a positive impact on the communities we serve by partnering with community organizations, improving access to a Cabarrus College education, and creating an inclusive, welcoming, and supportive environment which provides a sense of belonging for all.
- Serve more learners through new program development, innovations in program delivery, strengthening the institutional brand, and optimizing resources across the emerging health sciences education system.
- Ensure long-term sustainability through diversifying revenue streams, improving teammate satisfaction, maximizing human and financial resources, and by leveraging technology to improve business processes.

### **Core Values**

The College's commitment to its vision and mission is guided by the following core values:

#### ***Caring which is demonstrated in the College by:***

- Always putting the needs of others before our own.
- Providing a personal touch to everything we do.
- Understanding and meeting other's needs.
- Anticipating future student needs and opportunities.

#### ***Commitment which is demonstrated in the College by:***

- Going the extra mile.
- Using the best in technology and teaching practices.
- Championing new and better ideas, and a "can do" attitude.
- Maintaining the highest performance standards.
- Striving for educational excellence.

#### ***Teamwork which is demonstrated in the College by:***

- Fostering collaborative teamwork.
- Doing one's best so others can do their best.
- Valuing diversity as a team.
- Being there to help our colleagues.

#### ***Integrity which is demonstrated in the College by:***

- Holding ourselves accountable to the highest ethical standards.
- Taking personal responsibility (being accountable).
- Complying with legal and accreditation requirements.
- Speaking the truth.
- Exhibiting honest, objective behavior in every interaction.
- Delivering consistently on commitments

## Goals and Measures

### Student Success

#### **Goal 1: Improve advising services available to students**

Measure: Annual improvement in the survey item measuring the impact of advising on the educational experience.

#### **Goal 2: Improve the orientation experience for students in programs of all delivery types**

Measure: Positive trend in survey ratings on the impact of the student orientation on academic success.

#### **Goal 3: Expand student engagement opportunities inside and outside the classroom**

Measure: Increase in number of students participating in engagement activities over five years.

#### **Goal 4: Increase overall college retention rate**

Measure: Increase in the overall college retention rate of full-time and part-time students from first year to second year, throughout the five years.

### Social Impact

#### **Goal 1: Improve cultural humility, inclusion, and sense of belonging**

Measure: Positive trend in survey ratings on a sense of belonging on the campus climate survey.

#### **Goal 2: Expand access to Cabarrus College**

Measure: Increase in the total amount of institutional aid provided to students each year. Align the student body demographic profile to better match the demographics of the communities we serve over the five years.

#### **Goal 3: Improve Community Impact**

Measure: Increase the number of formal community partnerships to support student, faculty, and alumni service to marginalized populations.

### Innovation and System Integration

#### **Goal 1: Prepare more health science professionals through innovations in program delivery**

Measure: Increase the number of health science graduates for the next five years.

#### **Goal 2: Increase brand awareness and position Cabarrus College as a leader in innovative health sciences education**

Measure: Conduct a market research study to determine the likely reputational impact and level of community support associated with a potential name change for the institution.

#### **Goal 3: Develop new academic programs which meet current and future workforce needs**

Measure: Launch five new academic programs over the next five years.

#### **Goal 4: Optimize resources and collaboration in the emerging health sciences education system**

Measure: Implement two shared services and two shared technology solutions within the emerging health sciences education system over the next five years.

### Operational Efficiency and Financial Health

#### **Goal 1: Ensure long-term financial sustainability for the college through enrollment growth and diversification of revenue streams**

Measure: Increase the positive annual operating revenue contribution over previous year.

#### **Goal 2: Improve employee satisfaction through appropriate levels of workload, compensation, and benefits**

Measure: Improve positive response on describing faculty and staff workload item on annual surveys.

#### **Goal 3: Create a physical environment that allows for growth**

Measure: Increase the number of course sections offered per week in our current space. **Goal 4: Improve service to students through investments in technology solutions**

Measure: Gather data to seek students' feedback on systems utilized and efficiency with the various processes and improve the rating over a five-year period.

## Accreditation

Cabarrus College of Health Sciences is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, and master's degrees. Questions about the accreditation of Cabarrus College of Health Sciences may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website ([www.sacscoc.org](http://www.sacscoc.org)).

Further, the Southern Association of Colleges and Schools Commission on Colleges may be contacted to file a third-party comment at the time of Cabarrus College's decennial review or to file a complaint against Cabarrus College for alleged non-compliance with a standard or requirement. Normal inquiries regarding admission requirements, financial aid, academic programs, etc., should be directed to Cabarrus College.

In addition, many of the programs at Cabarrus College of Health Sciences are accredited by a governing body in that area of healthcare or health education. Each accrediting body is listed below.

The College has approved programs for Veterans' Benefits  
Department of Veterans Affairs, Office of Public Affairs  
810 Vermont Ave., NW, Washington, DC 20420

Master of Science in Nursing and Baccalaureate Degree in Nursing are accredited by the:  
Commission on Collegiate Nursing Education (CCNE)  
655 K Street NW, Suite 750, Washington, DC 20001

The Associate Degree program in Nursing is accredited by the:  
Accreditation Commission for Education in Nursing (ACEN)  
3343 Peachtree Road NE, Suite 850, Atlanta, Georgia 30326

The Associate Degree in Nursing and Bachelor of Science Degree in Nursing programs are approved by:  
The North Carolina Board of Nursing  
4516 Lake Boone Trail, Raleigh, NC 27607

The Medical Assistant Diploma program is accredited by the:  
Commission on Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of the Medical Assisting Education Review Board (MAERB).  
Commission on Accreditation of Allied Health Education Programs (CAAHEP)  
9355 - 113<sup>th</sup> St. N, #7709, Seminole, FL 33775

The Occupational Therapy Assistant program and The Master of Occupational Therapy program are accredited by the:  
Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA)  
6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929

The Respiratory Therapy program is provisional accredited by the:  
Commission on Accreditation for Respiratory Care (CoARC)  
264 Precision Blvd, Telford, TN 37690

The Surgical Technology program is accredited by the:  
Commission on Accreditation of Allied Health Education Programs upon the recommendation of the Accreditation Review Council on Education in Surgical Technology and Surgical Assisting (ARC/STSA). Commission on Accreditation of Allied Health Education Programs (CAAHEP)  
25400 US Highway 19 N, Suite 158, Clearwater, FL 33763  
The Accreditation Review Council on Education in Surgical Technology and Surgical Assisting  
6 West Dry Creek Circle, Suite 110, Littleton, CO 80120-8031
