Degree Nursing graduates.*

A MODERN NIGHTINGALE PLEDGE

I pledge myself here, before my God and in the presence of this assembly, to practice my profession with integrity.

I will endeavor to maintain and elevate the standard of nursing, both as a science and as an art.

I wholeheartedly recognize the importance of high standards of care and of personal accountability.

I devote myself to the healing, protection, and welfare of those committed to my care.

I accept a duty to work for the improvement of health in the communities in which I live and work.

I will hold in confidence all personal matters committed to my keeping, and will respect the privacy of medical information.

I will act with compassion in ethical matters. I will not knowingly administer or consume any harmful substance.

I commit to interdisciplinary collaboration and lifelong learning.

I fully acknowledge the seriousness of the responsibility that I accept in my calling, and the significance of this pledge that I take today.
