

## Catalog Addendum

### *November 25, 2019*

#### **SPA201 – Introduction to Hispanic Culture and Language for the Healthcare Professional**

- 1) P. 159 - Course name changed to: Introduction to Hispanic Culture and Language.
- 2) P. 159 - Course description updated to: This course is an introduction to the Hispanic/Latino culture and basic Spanish language skills. This course will enhance students' cultural competence and communication skills for interacting with Hispanic populations. The course explores cultural aspects (family structure, food, music, folklore, history and traditions) as well as customs and disparities within the Hispanic communities in the U.S. This course presents basic Spanish skills for written and oral communication.
- 3) P. 91 & 139 – Course name changed. Course now meets humanities requirement.
- 4) P. 97, 116, 119, 122, 125 & 127 – Course name changed in General Education Elective box. Course now meets humanities requirement.

### *December 4, 2019*

#### **Pre-Enrollment Requirements updated:**

- 1) P. 16-17

#### **PRE-ENROLLMENT REQUIREMENTS**

All students accepted to the College must submit the following prior to enrollment:

- Non-refundable tuition deposit, which is deducted from the tuition, but is non-refundable should the student choose not to enroll.
- Signed Consent for Release form along with the non-refundable fee (See section below).
- Evidence of health insurance coverage. Health insurance coverage must be maintained while enrolled at the College.
- Verification of required immunizations. North Carolina law requires all students entering undergraduate or graduate studies at any public or private college or university in North Carolina to provide proof of the following immunizations: Diphtheria, tetanus and pertussis (3 doses, one within the last ten years); polio (3 doses, only if under the age of 18); MMR (Measles, Mumps, Rubella) (2 doses or a positive titer); and Hepatitis B (3 doses or a positive titer). Cabarrus College requires the following additional immunizations: varicella (chicken pox) (2 doses or a positive titer), and 2 two-step TB Skin Test or QuantiFERON Gold for new students and updated annually.
- Complete Physical and Emotional Health Assessment form to be completed by the student's healthcare provider indicating the applicant is physically and emotionally capable of undertaking the program in which he or she is to be enrolled.
- Student Information Sheet
- Evidence of course completion in Basic Life Support Heart Code from the American Heart Association.
- Negative twelve-panel drug screen conducted by a certified lab prior to the first day

of enrollment. The test will screen for the following drugs: THC marijuana, PCP phencyclidine, BAR barbiturates, BZP benzodiazepines, PPX propoxyphene, COC cocaine, MTD methadone, OPI opiates (including Heroin), OXY oxycodone, AMP amphetamine, MDMA ecstasy, and METH methamphetamines.

- Fingerprint clearance: Can be obtained at any law enforcement agency.
- Students enrolled in the following programs: BSN, BSMI – Management Option, CR Certificate are treated as non-clinical and do not have to complete the fingerprint clearance, urine drug screen, TB Skin Test or show evidence of CPR Certification.

Some health and immunization requirements must be updated annually. Students should contact the College's Immunization Coordinator to ensure that all requirements are satisfied each semester. Failure to maintain compliance with immunization requirements may result in class/clinical removal and/or delayed academic progression of the student.

### ***December 4, 2019***
