P. 38 – NC SARA Web Link and Address Update

Unresolved complaints associated with consumer protection laws, including but not limited to allegations of dishonest or fraudulent activity, can be elevated to the state level once the appeal process is concluded with the College. In such cases, students may contact the NC portal agency, State Authorization Reciprocity Agreement North Carolina (SARA NC), and follow the agency's complaint process. The [SARA-NC-ComplaintForm.pdf \(ncseaa.edu\)](#) can be accessed on the college's website.
