INTERNATIONAL COUNCIL OF NURSES' PLEDGE

In full knowledge of the obligations
I am undertaking,
I promise to care for the sick with all the
skills and understanding I possess,
without regard to race, creed, color, politics
or social status, sparing no effort
to conserve life, to alleviate suffering,
and to promote health.

I will respect at all times,
the dignity and religious beliefs of the
patients under my care,
holding in confidence all
personal information entrusted to me,
and refraining from any action that might
endanger life or health.

I will endeavor to keep my professional
knowledge and skill at the highest level,
and to give loyal support and cooperation,
to all members of the health team.

I will do my utmost to honor the
international code of nursing ethics,
and to uphold the integrity of the
