DEFINITIONS

Cabarrus College defines emergency situations as:

1. Fatal or life-threatening incidents occurring on a campus, involving students, employees or members of the public when injuries require medical attention.
2. Violence of a major nature, occurring on or in close proximity to College property, which might endanger life or interfere with College activities.
3. Reports of illness, involving humans of an epidemic or pandemic nature.
4. Reports of outbreaks of illness or injury due to food poisoning or consumption of similar products distributed on College property.
5. Environmental incidents, including major spills or major air emissions.
6. Explosions.
7. Natural disasters, including fire, flood, hurricane, or tornado or other weather-related disasters.
8. Infrastructure failure such as heating, A/C, water or sewer.
9. Other timely warning notifications covered under the Clery Act or notifications deemed appropriate by the President, i.e. **any crime** that poses a continuing danger to the campus community. Such decisions will be made on a case-by-case basis.

POLICY

Cabarrus College follows Atrium Health Cabarrus' emergency preparedness and safety policies and procedures.
