

Atrium Health Wake Forest Baptist

High Point Summer VolunTeen Program Applicant

Thank you for your interest in the 2024 Atrium Health Wake Forest Baptist Summer VolunTeen Program! The Summer VolunTeen Program is designated for students ages 14-18 (Applicant must be 14 years old on or before May 31, 2024. Applicant can't be a current high school senior). Due to the large number of students interested in the Program, it is essential that you pay close attention to the information provided. Please be aware of the 5pm Friday, March 8, 2024 deadline for ALL of the application packet information to be submitted to Volunteer Services. In order to ensure the quality of the Program, there are limited spaces available. Late or incomplete packets will not be considered.

Attendance to an in-person Summer VolunTeen Orientation is mandatory.

The 4-week Summer VolunTeen Program will be held Monday, July 8th - Friday, August 2nd. Each VolunTeen will be required to volunteer 2 full assigned days each week. The assigned Monday – Thursday volunteer days will remain the same each week from 8:30am - 4pm. Each VolunTeen must dedicate 64 volunteer hours in order to complete the requirements for the Program and participate in the Program the following summer (if applicable). During the short 4-week program, each VolunTeen is only able to be absent a maximum of 2 designated volunteer days. Limited sub days for time missed will be available with prior approval from the VolunTeen Manager. Unfortunately, volunteering more than the required 64 hours will not be allowed.

The Summer VolunTeen Program's primary goal is to help enhance the patient and family experience as well as provide opportunities that foster inner growth, maturity and strengthen a service-oriented mindset. VolunTeens are not allowed to administer any type of clinical care. VolunTeen duties are customer service driven and will involve designated departmental tasks as well as performing administrative duties. Each essential task is performed in the Medical Center setting, providing a wonderful opportunity for students to learn and explore healthcare careers while helping the patients and guests have a positive experience each day. Keep in mind, this Program is not a shadowing/observation experience.

A complete application contains: An online Application submitted by the deadline AND a complete Application Packet which must be mailed, sent through interoffice mail, or dropped off in Volunteer Services at High Point Medical Center no later than 5pm March 8, 2024. All documents in the application packet must be submitted together and filled out completely/correctly for further consideration for the Program. If an incomplete packet is received, it will not be considered eligible for review. Due to the large number of expected applicants, the Volunteer Services staff will not be able to provide information of completeness, only confirmation that the application packet has been received.

The completed application packets will be reviewed by the Selection Committee to determine which applicants will be invited to participate in the Program. There will not be any exceptions to the complete application deadline and the Program requirements.
