WAKE FOREST BAPTIST HEALTH

INTRODUCTION TO AMOS COTTAGE THERAPEUTIC DAY PROGRAM and OUTPATIENT COUNSELING SERVICES

- Nationally accredited and Licensed by State of NC Department of Health and Human Services, Division of Mental Health to provide day treatment services for children ages 3-7 with behavioral/emotional disorders. The program is part of the Department of Behavioral and Developmental Pediatrics with Wake Forest University Health Sciences.
- Program currently operates on an abbreviated schedule due to Covid-19; hours of treatment are M-F 9:00am - 2:00pm.
- Credentialed by Local Management Entities within the region which include Partners, VAYA, and Sandhills
- Located adjacent to Novant/Forsyth Hospital but affiliated with Wake Forest University Health Sciences Department.
- Members of the treatment team include a Clinical Social Worker to provide parent training and conduct case management services which include coordination of services both during treatment and at discharge. The program's Child Psychologist develops an individual behavior plan for each client, assists with parent training and provides psychotherapy and/or testing as needed. If a client exhibits any other significant behaviors, the Psychologist and Clinical Social Worker are qualified to identify and provide a diagnosis (es).
- Professional Staff each possess a degree in area of expertise and include Board Certified Music Therapist, Licensed Recreation Therapist, Behavioral Specialist, and a State Licensed Contracted Teacher
- Day treatment services for clients will include behavior management strategies which emphasize positive reinforcement, development of appropriate social/self-regulation skills, diagnostic specific interventions coordinated/supervised by a licensed clinician, and academic instruction by a Licensed Winston-Salem Forsyth County Teacher
- Each client has an Individualized 'Person-Centered Plan' to address treatment goals.
- Developmental and Behavioral Pediatricians from Wake Forest University School of Medicine are on site for consultation and medication management if deemed advisable.
- Professional therapy staff will provide training for classroom personnel when the child completes treatment and transitions back into a classroom setting.
- Transportation Services are available for eligible clients.
- Outpatient Counseling Services are provided on site by a licensed clinician who utilizes creative, yet highly effective counseling techniques specifically designed to support the 'younger' child and family.
