

Directions to Cancer Survivorship Clinic:

From the parking deck:

Exit parking deck at purple level and cross walkway to Cancer Center. You are on the **4th floor**. As you exit the walkway, take elevators on your right down to **2nd floor**. The **Survivorship Clinic** is on your right behind the clear glass doors as you exit the elevator area.

From 4th floor/Radiology:

Exit **radiology** and take the elevators down to the **2nd floor**. The **Survivorship Clinic** is on your right behind the clear glass doors as you exit the elevator area.

From 3rd floor/Laboratory:

Exit the **lab** and take the elevators down to the **2nd floor**. The **Survivorship Clinic** is on your right behind the clear glass doors as you exit the elevator area.

From 1st floor entrance/valet:

Enter the cancer center and pass the pharmacy on your right. The elevators are just past the pharmacy. Take the elevators up to the **2nd floor**. The **Survivorship Clinic** is on your right behind the clear glass doors as you exit the elevator area.

Restrooms: There is no restroom in the Survivorship clinic. On the **2nd floor**, restrooms are located past the **Survivorship Clinic** on the right.
