

2-Day GoLytely Colonoscopy Prep

You will need to drink a laxative solution to clean your colon prior to your colonoscopy. **It is very important that you drink the entire prep mixture so that your doctor will have a clear view of your entire colon during your colonoscopy.** Please thoroughly read these instructions one week before beginning your prep. For prep questions, call 336-716-1212.

Purchase from the Pharmacy 3 days prior to colonoscopy:

- 2 Gallons: Prescription GoLytely, NuLytely, CoLyte, or other generic brand. (mix 3 days before procedure)
- 8 Dulcolax (bisacodyl) 5mg oral tablets (over the counter)

Three days before your Colonoscopy:

- **AVOID** fruits, vegetables, nuts, seeds, beans, popcorn and high fiber foods

Two days before your colonoscopy:

- Begin clear liquid diet two days before your procedure ([See List Below](#)).
- At **3 PM** take **4 Dulcolax** tablets with a glass of water.
- Between **4 PM - 6 PM**, two days prior to your exam, start drinking the first gallon of GoLytely (or the generic). You should drink **8 oz.** of your prep every 15-20 minutes until the entire gallon is gone. This should take you at least 4 hours. Your stools should become watery during this colon cleansing preparation.
- Take breaks if you become nauseated.
- Continue your clear liquid diet

One day before your colonoscopy:

- Continue your clear liquid diet. ([see list below](#))
- Between **4 PM - 6 PM**, start drinking the 2nd gallon of GoLytely (or the generic) prep.
- You should drink **8 oz.** of your prep every 15-20 minutes until half of the gallon is gone.
- Refrigerate the remainder of the prep..
- Continue you clear liquid diet up until midnight.

Day of your colonoscopy:

- 6 hours before your arrival time,
- Start drinking the rest of the prep. (This means you are waking up at some point after midnight to finish the second half.)
- For example, if your appointment time is at 6:00am, you will start drinking the rest of your prep at 12:00am. If your appointment time is at 10:00am, you will start drinking the rest of your prep at 4:00am, etc.
- **DRINK ALL OF THE PREP.** You may take up to 2 hours.
- **You may not drink anything 3 hours before your appointment time.** (A sip or two of water with medications is ok.)
- You may brush your teeth.
- **No hard candy, gum, chewing Tobacco, Smoking or Alcohol the day of procedure.**
- **No Street Drugs 48 hours before your procedure.**
- **No Hard Candy, Gum day or Chewing Tobacco the day of procedure**
- Please see previous sheet ("colonoscopy preparation instructions") for important medication instructions.

Your Clear Liquid Diet May Consist of:

Beverages

- Clear soft drinks (ginger ale, Sprite, 7-Up, etc.)
- Sports drinks (Gatorade, Powerade, etc.)
- Clear fruit juices – apple, white grape, lemonade, white cranberry
- Water, tea, coffee (no milk or non-dairy creamer)

Soups

- Chicken or beef bouillon/broth, **BUT ONLY PRIOR TO MIDNIGHT**

Desserts

- Jell-O gelatin, popsicles (no sherbet)
