

Request for an Accounting of Disclosure of Health Information

Your Rights

You have the right to ask for a listing of the persons or organizations we have shared your information with, subject to certain exceptions. This is known as a request for an Accounting of Disclosures.

- An Accounting of Disclosures is not a list of people who have viewed your electronic health record for treatment, payment, or Atrium Health's business activities.
- It does not include who we have shared your information with when we received an Authorization signed by you or when we have given you a copy of your record.
- In most cases, you will receive a letter in the mail within 60 days of the date we received your request.
- In some cases, we may need an additional 30 days, which the law allows. In this event, we will send you a letter telling you why and when you can expect to get an answer.
- The first request in a 12 month period is free.

To request an Accounting of Disclosures please complete this form and submit it to Atrium Health Corporate HIM P.O. Box 32861, Charlotte, NC 28231-2861
