

Autism Community Connections Clinic

Developmental and Behavioral Pediatrics Clinic
3325 Silas Creek Parkway // Winston-Salem, NC 27103

All parents/guardians of children diagnosed with Autism Spectrum Disorder are invited to attend the Brenner Children's Autism Community Connections Clinic.

Schedule an appointment for one of the clinic dates listed below. Join us to learn about your child's Autism diagnosis and next steps to take. We will discuss medical, educational, and financial matters that you will need to navigate your journey with your child. Helpful resources will be provided for newly diagnosed families, families that are new to NC and families that just need more support.

Children are NOT allowed to attend. This is a resource clinic for parents/guardians only.

Autism Community Connections Clinic (ACCC) is held every 2nd Thursday from 8:30a-11:30a & every 4th Monday from 1p-4p of each month.

****Please check in at least 15 minutes prior to start of clinic****

Since this is a medical appointment for parent education purposes, it is typically covered by your insurance plan. You may have a copay. Please confirm this prior to your attendance. Medical billing codes 98960, 98961, 98962 will be used.

To schedule a clinic appointment, call 336-713-7429
