

# TRANSITION CLINIC

Developmental and Behavioral Pediatrics Section  
3325 Silas Creek Parkway // Winston-Salem, NC 27103

Do you have a child aged 14 or older?

Do you have questions about what happens when they turn 18 and become a legal adult?

**WE HAVE ANSWERS!**

\*\*\*

The Transition Clinic is a half day clinic for parents/guardians of children with intellectual or developmental disabilities who are approaching age 18 and legal adulthood. This clinic will educate families on the significant changes that happen at age 18 and how to best prepare for shifts in a child's health care and education. Abundant resources to guide families through this transition period will be shared.

The clinic will be held on the first Monday of each month.

\*\*\*

The Transition Clinic will start at 1pm promptly and last 2-3 hours.

Please arrive at least 15 minutes prior to the start of the clinic.

Handouts will be provided.

Please bring a pen or pencil.

To register please call 336-713-7429

Since this is a medical appointment for parent education purposes, it is typically covered by your insurance plan. You may have a copay. Please confirm this prior to your attendance. Medical billing code 97552 will be used.
