

## 2022 Translational Science Leadership Academy

*Sponsored by The Team Science Program*

Provides Faculty Research Leaders with training & essential tools needed to effectively lead their research teams

*This program is definitely a worthwhile investment of time for leaders who want to increase team effectiveness and productivity.*

**Scott Rhodes,**  
Chair

*The Academy was one of the best learning experiences I have had at Wake Forest. Dr. Brower is phenomenal.*

**Christina Hugenschmidt,**  
Associate Professor

*The workshop nature of the sessions are very interactive and engaging, so the course is informative and fun!*

**Edgar Alfonso Romero-Sandoval,**  
Associate Professor

Led by: **Holly H. Brower, PhD**

Professor Emeritus, Leadership and Management,  
Wake Forest University School of Business

**Held Virtually 8:30 – 10:30am**  
3<sup>rd</sup> Wednesday of the month, Feb–June 2022  
(2/16, 3/16, 4/20, 5/18, 6/15)

**Register By  
Jan 28!**
