

CTSI's Translational Workforce Development is pleased to announce a call for applications for

Research 101

This 12-week program, for early career clinicians with a faculty appointment, will allow participants to develop foundational research knowledge and skills.

The series runs from May 16th through the week of September 12th. For more information about the program, please contact CTSIeducation@wakehealth.edu.

Applications are submitted electronically. Click [here](#) to apply. Applications are due by April 1st.
