

Clinical and Translational Science Institute Program in Community-Engaged Research

Request for Applications

\$5,000 Community Engagement Boost Award

The Community Engagement Boost Award is granted quarterly to supplement the translational work of community organizations. This award can support the implementation of evidence-based interventions, fund evaluations, prepare pilot data that will allow for the submission of a subsequent, larger grant application, or advance change that promotes health.

This application process is rolling, and CBOs are invited to apply at any time. Applications, however, will be reviewed mid-month in January, April, July, and October. Awards will be announced at Community Stakeholder Advisory Committee (CSAC) quarterly meetings.

2022 Deadline(s):

Tuesday, January 11, 2022

Monday, April 11, 2022

Monday, July 11, 2022

Tuesday, October 11, 2022
