2024 TRAINEE & EARLY CAREER FACULTY QUALITATIVE RESEARCH BOOTCAMP

FAQ

FROM THE QUALITATIVE & PATIENT-REPORTED OUTCOMES SHARED RESOURCE (Q-PRO)

1 What is the 2025 Qualitative Research Bootcamp?

A **4.5-day in-person training workshop** that is comprised of 15 modules on qualitative research topics. The workshop combines didactic and interactive learning approaches to create a comprehensive and hands-on learning experience. Following the workshop, Q-PRO will offer **virtual office hours** to offer ongoing support and mentoring.

2 When & where is the bootcamp held?

The bootcamp will be held **March 31-April 4,** 2025 at the Innovation Quarter Campus in Winston-Salem, NC (525 Vine St.).

3 Who can apply?

Early career faculty and trainees (Doctoral students, postdocs, residents, fellows, etc.) who are Atrium Health Wake Forest Baptist, Atrium Health, or Levine Cancer Institute affiliates/employees.
You should have the ability to attend the full 4-day bootcamp. The final half day is optional. Applicants with **cancer-related projects will be prioritized**, but all subject areas are encouraged to apply.

4 Is there a fee associated with the bootcamp?

This bootcamp is offered at **no cost** to participants.

5 What will be covered?

The training will include an overview of **qualitative methodology and rigorous study design**, qualitative data collection, and qualitative data analysis.
- We will go through every stage of data collection from tool development, to conducting interviews and focus groups, through to how to manage the data that you collect.
- You will also learn about various analysis techniques, including traditional and rapid analysis, how to develop and use a codebook, and how to develop themes from your coded data.
- We will share various qualitative data analysis softwares that you can explore for your projects needs.
- Finally, you will be exposed to effective and engaging ways to disseminate your qualitative findings.

6 How will I benefit from the bootcamp?

The bootcamp will enhance qualitative research skills for currently funded projects and support applicants to submit qualitative proposals in the future.

7 How do I apply?

Use the QR code to access the application. Please prepare a **1-page specific aims page outlining your qualitative or mixed methods project** and answer the brief questionnaire.

Applications are due December 31st!
