

Join Us as a Benefactor at SummerLark 2026!

SummerLark is Winston-Salem’s blockbuster summer concert supporting the Cancer Patient Support Program (CPSP) at the Comprehensive Cancer Center at Atrium Health Wake Forest Baptist, part of Atrium Health Levine Cancer. Join us in supporting this important cause to ensure that no one faces cancer alone. SummerLark provides over half the annual operating budget for this program, which is a unique, highly esteemed national model. The mission of the CPSP is to reduce suffering and improve the quality of life of patients and families impacted by a cancer diagnosis and treatment.

The CPSP offers patients and their families:

- Individual, couples and group counseling
- Support groups like the Multiple Myeloma Support Group and the Survivors Offering Supportive Connections (S.O.S. Connections) peer support group
- Financial patient aid
- Healing and holistic therapies like the Healing Arts Therapy Specialty Clinic
- Wellness workshops
- Hospitality rooms for patients awaiting treatments and their families
- Massage and gentle chair yoga classes

All of this at no or reduced cost to patients and their family members, designed to ease the cancer journey.
