

Join Us as a Benefactor at SummerLark 2024!

SummerLark is Winston-Salem's blockbuster summer concert supporting the Cancer Patient Support program (CPSP) at the Comprehensive Cancer Center at Atrium Health Wake Forest Baptist. Join us in supporting this important cause to ensure that no one faces cancer alone. SummerLark provides over half the annual operating budget for this program, which is a unique, highly esteemed national model. The mission of the CPSP is to reduce suffering and improve the quality of life of patients and families impacted by a cancer diagnosis and treatment.

The CPSP offers patients and their families:

- Individual and group counseling
- Support groups like the Survivorship Book Club or the Caregivers Support Group
- Financial patient aid
- Healing and holistic therapies like the new Healing Arts Therapy Specialty Clinic
- Wellness workshops
- Hospitality rooms for patients awaiting treatments and their families
- Tai chi and gentle chair yoga classes

All of this at no cost to the patient or their family members, designed to ease the cancer journey.
