Greetings, Alumni!

I am excited to invite you to join us for MD Alumni Weekend '25, when we will celebrate our alumni who graduated in years ending in either a zero or five.

We have a full weekend of activities planned, all of which are outlined in this brochure. Following the afternoon's offerings on Friday, May 2, join us for our annual Medical Alumni Association Celebration Dinner. We look forward to honoring recipients of our Distinguished Awards and recognizing members of the MD Class of 1975, as they are inducted into the Bowman Gray Society as part of their 50th class reunion.

I look forward to our time together on Saturday, May 3, for Conversation with the Dean when members of my leadership team and I will share updates on how we are advancing medical education, grounded in principles of humanism, compassion, health equity and evidence-based inquiry, for our students in Winston-Salem and at our new, second campus in Charlotte.

Additionally, Saturday offers tours of the medical school and simulation labs, interesting presentations by faculty, a trolley ride around Winston-Salem, noting the many updates in our community since you graduated, free admission for alumni to the Reynolda House and lunch on the patio with fellow graduates. The highlight of the weekend comes Saturday evening with the Kentucky Derby Party reunion reception, followed by class dinners and dancing the night away at the Deacon Doc Party.

We look forward to seeing you and welcoming you back to your Wake Forest University School of Medicine!
