

C. Nasir Majeed, MBBS # 17

Dr. Majeed grew up in the city of gardens, Lahore, Pakistan and gravitated to the USA due to diversity and excellence of clinical training in USA. He has established himself as a clinician-educator, implementing several innovative curricula that have been presented at local, national and international level.

Currently, he is assistant professor of medicine and education chair for the section on hospital medicine. As a Brooks Scholar and the core faculty for the internal medicine residency program, Dr. Majeed is the founding director of the Point of Care Ultrasound (PoCUS) curriculum for the internal medicine residency program.
