

Winborne Macphail

Group President, Surgical Care Affiliates

Winborne serves as Group President for Surgical Care Affiliates with responsibility for operations and growth for 68 ASC's across 12 states and enterprise oversight of the SCA Growth office for physician engagement, recruitment and growth initiatives. She is also an Executive Sponsor of the SCA Women's Leadership Network.

Prior to joining SCA in 2011, Winborne spent 15 years with Apria Healthcare, serving in multiple sales and operation leadership roles, including direct sales, management of their Southeast sales force, and just prior to her appointment at SCA, Division Vice President of Operations for Apria's Southeast Division. Winborne is a native of North Carolina and has a Bachelor of Arts from Meredith College and a Master of Health Administration from University of North Carolina.
