FOR HOUSE OFFICERS

### About the networks

The WFBH Network offers the most cost-effective tier for health care services. Managing your health care expenses means you know where to find the most cost-effective health care and prescription medications. Lower your health care costs by choosing the WFBH Network.

<b>\$ WFBH Network</b>	The most cost-effective tier; includes the exceptional network of primarily Atrium Health Wake Forest Baptist and all Atrium Health physicians, providers, facilities and laboratories
<b>\$\$ MedCost Network</b>	Higher cost network than the WFBH Network. Includes the MedCost network of providers, facilities and laboratories

To find Atrium Health Wake Forest Baptist physicians and providers, go to [www.MedCost.com](http://www.MedCost.com).

Effective Jan. 1, 2025, we are moving from the First Health Network to the Cigna Healthcare Network for teammates and/or their dependents who live outside the service area.

### Prescription coverage

If you enroll in a health plan, you automatically receive prescription coverage. Your cost will be lower if you use an Atrium Health Pharmacy, which includes Wake Forest Baptist Health and Atrium Health Pharmacies, for acute prescriptions (less than 30 days). Other retail pharmacies may be used for acute prescriptions but may require a higher copay or coinsurance.

There is a maximum of one fill at Community Retail Pharmacies after the deductible for maintenance medications. Plan then requires transition to an Atrium Health Pharmacy, the Employee Prescription Mail Service or CarolinaCARE Mail Service. Enrollees can get a three-month supply of generic or preferred brand maintenance medications for a reduced co-pay at Atrium Health Pharmacies.

Specialty medications must be filled at an Atrium Health Wake Forest Baptist Pharmacy or CarolinaCARE. Some exceptions may apply to medications in limited distribution. Specialty medication cost share may vary with use of manufacturer coupons and copay assistance programs, which will not apply to deductibles and/or out-of-pocket maximums.

### LiveWELL (ALSO KNOWN AS BESTHEALTH FOR US)

At Atrium Health, we care about the physical, financial and personal well-being of teammates and their families. LiveWELL, also known as BestHealth for Us, offers healthy lifestyle programs and activities to help teammates live their very best lives.

Wake Health Savings Plan Members		Physical	Financial	Personal	TOTAL

## Summary of Benefits

FOR HOUSE OFFICERS

### Dental

You can choose between two dental options: Wake Dental Choice and Wake Dental Choice Plus. Both options cover most types of services up to reasonable and customary charges at varying levels of coverage including preventive, maintenance, surgical and periodontic services. The Wake Dental Choice Plus plan also covers prosthetics and covers orthodontia expenses (for dependent children only, up to age 19).

### Vision

The vision plan, provided through Community Eye Care (CEC Vision), helps pay for routine periodic eye exams, eyeglasses, contacts and related supplies. When you visit CEC Vision providers, you receive discounted services and the plan pays a percentage of your cost. For out-of-network providers, you must file a claim to receive reimbursement.

## Savings and Spending Accounts

### Flexible Spending Accounts

Flexible spending accounts (FSAs), administered by Bank of America, help you save money on taxes by paying for a single year's eligible health care and dependent care expenses with pre-tax dollars. You choose the amount of pre-tax money you want to have deducted from your paycheck, and it will be deposited directly into your FSA. Atrium Health Wake Forest Baptist offers three FSAs: health care FSA, dependent care FSA and a limited-purpose FSA.

#### Health Care FSA

The health care FSA helps you save money on eligible healthcare expenses. You can contribute up to \$3,300 in 2025 to the health care FSA to pay for copays, deductibles, coinsurance and other out-of-pocket medical, dental, vision or prescription costs for you or your dependents. You can contribute to the health care FSA if you are enrolled in the **Wake Copay Plan** or if you waive health coverage.

**Eligible expenses include:** Medical, dental and vision expenses such as copays, deductibles and coinsurance, prescription costs, braces, hearing aids and batteries and much more.

#### Dependent Care FSA

The dependent care FSA helps you save money on eligible dependent care expenses. You can contribute up to \$5,000 each year to the dependent care FSA to pay for dependent day care expenses on a pre-tax basis if both you and your spouse work, your spouse goes to school full-time or your spouse isn't able to provide self-care.

**Eligible expenses include:** Daycare, day summer camp, after-school programs and preschool expenses for children 12 years old and younger or disabled dependents of any age. You may also use this account to pay for adult daycare services for an elderly parent who is your tax dependent.

#### Limited Purpose FSA

The limited-purpose FSA helps you save money on eligible dental and vision expenses. You can contribute up to \$3,300 in 2025 to the limited-purpose FSA. You can contribute to the limited-purpose FSA if you are enrolled in the **Wake Health Savings Plan**.

**Eligible expenses include:** Dental and vision expenses such as copays, deductibles and coinsurance.

## Summary of Benefits

FOR HOUSE OFFICERS

### Health Savings Account

If you enroll in the **Wake Health Savings Plan**, you may be eligible to contribute to a Health Savings Account (HSA). The HSA, administered by Bank of America, is a personal savings account that you can use for health care expenses. You set aside money — tax-free. Then, you can use the money to pay for medical, dental or vision care — such as office visits, lab work, X-rays and prescriptions — now or in the future.

Advantages of enrolling in an HSA include:

- **Triple tax benefits** – your contributions, your withdrawals for qualified health care expenses, and your investment and interest earnings are all tax-free.
- **Choice** – you decide where and when to use funds for qualified expenses. You can pay for out-of-pocket health care expenses for you and your family, build a nest egg for future health care expenses, or save money for health care in retirement.
- **Full ownership of contributions** – you own all the money in your account. There is no “use it or lose it” rule. All amounts in your HSA are fully vested, and unspent balances roll over at the end of the benefit plan year and remain there until you spend them.
- **Portability** – your account is portable, meaning your money stays with you even if you:
  - Change jobs
  - Change health coverage
  - Become unemployed
  - Move to another state
  - Get married or divorced

### How much you can contribute

You can contribute to your HSA up to the IRS maximums each year if you're eligible. Your contribution limit for the year can change based on your personal situation.

For 2025, you can contribute:

- **Up to \$4,300** for Teammate Only coverage.
- **Up to \$8,550** for anything higher than Teammate Only coverage.

If you join the plan mid-year, the limits may be prorated. Refer to IRS Publication 969 for more details. If you're age 55 or older, you can contribute an additional \$1,000 in catch-up contributions.

*Note: If you become enrolled in Medicare, you will cease to be eligible to make or receive HSA contributions.*

### *Can I enroll in an HSA and a Health Care FSA?*

You **cannot** enroll in both an HSA and a healthcare FSA. Also, you may not make contributions to an HSA while your spouse or domestic partner is enrolled in a general purpose healthcare FSA.

### *Can I enroll in an HSA and a Dependent Care FSA?*

You **can** enroll in both an HSA and a Dependent Care FSA and may contribute the maximum amount to each.

## Summary of Benefits

FOR HOUSE OFFICERS

## Life and AD&D

Atrium Health Wake Forest Baptist Life and AD&D plans are provided through New York Life.

### Basic life and AD&D insurance

As an Atrium Health Wake Forest Baptist teammate you automatically receive basic life insurance and accidental death and dismemberment (AD&D) coverage at no cost to you—generally equal to one times your annual salary, rounded up to the next \$1,000 (up to \$1M). Life and AD&D coverage is an employer-paid benefit for eligible teammates.

### Supplemental life and AD&D insurance

If you think you need more coverage than the basic coverage provides, you may purchase supplemental life and AD&D insurance up to five times your basic annual salary, rounded up to the next \$1,000, subject to the maximum benefit level and approval by New York Life.

If you add or increase supplemental life coverage, your election is not guaranteed to be approved. You will receive an email from New York Life with a link to their online Evidence of Insurability (EOI) form. The EOI process is sometimes called providing “evidence of good health” and is used to qualify for certain amounts of life insurance. You must complete the EOI process and be approved by New York Life before new or increased coverage can take effect.

### Dependent life insurance

You also may purchase life insurance in the amount of \$10,000 or \$25,000 for your eligible children; and you may also purchase life insurance for your spouse or domestic partner in the amount of \$10,000 or \$25,000 or in increments of \$50,000 ranging from \$50,000 to \$200,000. If you add or increase life insurance for your spouse or domestic partner, you will receive an email from New York Life with a link to their online EOI form. Your spouse or domestic partner must complete the EOI process and be approved by New York Life before new or increased coverage can take effect. Children are not required to complete the EOI process.

## Disability

### Salary continuation

If you are on an approved medical leave, salary continuation coverage continues your salary at 100% until applicable disability insurance takes effect. Salary continuation has no cash value and will not be paid to you when you leave Atrium Health Wake Forest Baptist. Salary continuation is an employer-paid benefit for House Officers.

### Long-Term Disability

Long-Term Disability (LTD) benefits begin after you have been disabled for more than 90 days. The coverage ensures that, if benefits are approved, you will receive 66 2/3% of your pay up to a maximum benefit of \$3,000 per month. Approved benefits are payable for the duration of your disability until age 65 (or older, if your disability begins on or after age 62) or until other plan limitations have been met. LTD benefits may be reduced by amounts of other income you receive. LTD coverage is an employer-paid benefit for eligible teammates. There is no action required on your part; Atrium Health Wake Forest Baptist will automatically enroll you in the LTD plan if you're eligible.

### Vision Plan Premiums

Bi-weekly premiums (teammate contributions) for 2025 vision coverage under CEC Vision Plan are shown in the table below.

	Vision PLAN
	Full-Time & Part-Time
Teammate-Only	\$4.43

### Spousal Surcharge

A Spousal Surcharge of \$60 per-pay-period will be applied to teammates whose spouse/partner is eligible for medical coverage through his/her employer and enrolls in an Advocate Health Medical Plan (see “working spouse” premiums). Generally, if your spouse/partner is unemployed, retired, disabled, self-employed or eligible for or enrolled in Medicare/Medicaid or also employed by Advocate Health, the Spousal Surcharge will be waived. The Spousal Surcharge questionnaire is available for teammates to download during the online enrollment process.

### Pretax Contribution

Premiums (teammate contributions) for medical, dental and vision coverage will be deducted from your pay each pay period on a pretax basis. This means that your cost for coverage is deducted from your pay before federal, state and Social Security taxes are calculated. This reduces your taxable income and, in turn, the taxes you pay.

If you choose to cover a domestic partner, their portion of the premium will be deducted on a post-tax basis, in accordance with tax rules.
