Map of the United States showing the number of states that have passed legislation to protect the rights of transgender people. The map uses a color scale from light blue (1) to dark blue (12) to represent the number of laws passed. A large blue circle in the bottom right corner contains the number 46, indicating the total number of states that have passed such legislation. The map shows that 12 states have passed 12 or more laws, 5 states have passed 5 to 11 laws, 4 states have passed 4 laws, 3 states have passed 3 laws, 2 states have passed 2 laws, and 1 state has passed 1 law. The states are labeled with their names and the number of laws passed is indicated by a black circle with a white number.
