

## RESEARCH SYMPOSIUM

# Ultrasound:

The Sounds of Innovation, Education, and Research

Sept 20, 4:30 PM – 6:00 PM

4:30	Jacob Schoeneck, MD	Welcome and Introduction
4:32	Vivek Tayal, MD, FACEP, FAIUM	Ultrasound at Legacy Atrium: The Sounds of Innovation, Education and Research
4:41	Casey Glass, MD	Ultrasound at Legacy Wake: The Sounds of Innovation, Education and Research
4:50	Aarti Sarwal, MD, FNCS, FAAN, FCCM, RPNI	Butterflies in the Brain
4:55	Anthony J Weekes, MD, MSc	Roots, Fruits, Strategic Direction Echocardiography in Emergency Medicine
5:00	Noreen Kelly, MD, FACC, FASE	Echo Innovation at Atrium Health
5:05	Michael Cartwright, MD, MS	Neuromuscular Ultrasound: Birth of a field at Legacy Wake
5:10	Anthony Martin, MD, FACSM, FAAFP	Musculoskeletal Ultrasound in Family Practice and Sports Medicine at Atrium Health
5:15	Luiz Maracaja, MD	Ultrasound Guided Procedures in Anesthesiology at Legacy Wake
5:20	Denise Fraga, MD	Ultrasound in Global Health: Pandemic and Outreach at Legacy Atrium
5:25	Lindsey Chaudoin, MD	Ultrasound in Pediatric Emergency Care at Legacy Atrium
5:30	Joshua Zavitz, MD	Ultrasound in Undergraduate Medical Education at Legacy Wake
5:35	Margaret Lewis, MD, FACEP	Ultrasound in Undergraduate Medical Education UNC SOM
5:40	Jacob Schoeneck, MD Vivek Tayal, MD, FACEP, FAIUM	Future Directions: Collaboration to Improve Ultrasound Innovation, Education and Research
5:45		Q&A For all speakers (via chat)
6:00	Julie Freischlag, MD, FACS, FRCSEd, DFSVS	Closing Remarks
