# **Reference Form for Applicants**

### To the Applicant:

Submit two professional references, using the Carolinas College of Health Sciences forms, from college instructors and/or supervisors with one from a current supervisor.

- For each reference complete the student information in Section I, reading the waiver options carefully. Be aware that some individuals will complete a reference only if you have waived the right to access.
- 2. Provide each selected reference with a form and an envelope. Inform the reference of the date needed. Collect completed references in sealed envelopes and mail to the College or provide reference with a stamped envelope preaddressed to the College. If the references are mailed separately, follow up to see if they have done so by the deadline. Mail completed reference forms to:
